Exhibit "A"

PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the COUNTY OF SACRAMENTO, hereinafter referred to as the County, and the SACRAMENTO COUNTY AIRCRAFT RESCUE FIREFIGHTERS ASSOCIATION (SCARFA), hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the County and the Union; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

The term "agreement" as used herein means the written agreement provided under Section 3505.1 of the Government Code.

ARTICLE I RECOGNITION AND COVERAGE

1.1 RECOGNITION

a. The County recognizes the Union as the exclusive negotiating agent for all employees in the Firefighters – Aircraft Rescue and Firefighting Unit.

b. The Union recognizes the County Executive or his/her designee as the negotiating representative for the County and shall negotiate exclusively with him/her or his/her designee, except as otherwise specifically spelled out in this Agreement.

1.2 COVERAGE OF EMPLOYEES

a. The Firefighters – Aircraft Rescue and Firefighting Unit consists of all employees as stated in the listing of classes set forth in Exhibit "A" of this Agreement.

b. This Agreement applies only to employees in the above-described representation unit.

ARTICLE II UNION RIGHTS

2.1 UNION SECURITY

a. It is the intent of this article to provide for payroll deductions of Union members to be deducted from their warrants insofar as permitted by law, and not to exceed \$99.99 biweekly including dues. The County agrees to deduct and transmit to the Union all authorized deductions from all Union members within the foregoing units

who have signed an approved authorization card or cards for such deductions in a form agreed upon by the County and the Union. In the event the County misses one (1) or more dues deductions in a payroll period, due to no fault on the part of the Union, the County will correct the error in the next biweekly pay period if notified by the Union in writing within five (5) workdays of the initial transmittal to the Union.

- b. (1) The written authorization for Union dues deductions shall remain in full force and effect during the life of this Agreement between the County and the Union, unless canceled in writing.
- (2) The written authorization for approved insurance and benefit programs and the amount of dues deducted from Union members' warrants shall be changed by the County upon written request of the Union.
- (3) The Union agrees to indemnify, defend, and hold the County harmless against any claims made of any nature and against any suit instituted against the County arising from its checkoff for the dues, insurance, or benefit programs of the Union.

c. "Approved insurance and benefit programs" are those which the County has approved as being non-competitive or non-duplicative of County-offered programs. The County reserves the right to disapprove any insurance program, in advance, if competitive or duplicative; and to cancel all Union insurance and benefit program payroll deductions where they are established without prior County approval. It is understood that life insurance, except for accidental death and dismemberment, is competitive and duplicative of County-offered programs. It is understood that insurance programs offered by the Union to employees not eligible for enrollment in County insurance programs are "approved insurance and benefit programs."

d. Solicitation and/or servicing of Union insurance and benefit programs shall not interrupt on-duty employees nor be conducted in County facilities without prior approval of the County.

2.2 UNION NOTICES AND MEETINGS

a. The Union may use County conference rooms and similar building facilities for meetings with employees in the units it represents, may post materials on bulletin boards which have been provided for their use in the units it represents, and may visit work locations to confer with its members regarding grievances or other business within the scope of representation or otherwise provided for within this Agreement.

b. Use of County meeting facilities requires at least twenty-four (24) hours advance notice to the appropriate County official and is subject to County use of such facilities; provided, however, that once scheduled, such Union meetings may not be

canceled by the County except under emergency situations. The County may establish reasonable regulations governing the use of County facilities as provided by this section.

c. The Union shall be entitled to the use of a bulletin board at each work location where they are established or where they may be reasonably necessary.

d. Duly authorized representatives of the Union shall be permitted, at all times that employees in the units it represents are working, to enter offices to transact business within the scope of representation and to observe conditions under which employees are employed and carry out their responsibilities; provided, however, that the Union representative shall, upon arrival at the facility, notify the person in charge of the areas he wishes to visit. Access shall not be unreasonably denied. If denied, the reason or reasons for denial must be stated.

e. The Union may transmit reasonable amounts of written materials through the County's departmental interoffice mail. "Firefighters – Aircraft Rescue and Firefighting Aircraft Rescue, Confidential" is to be delivered to the addressee unopened.

2.3 UNION REPRESENTATION

a. The County recognizes and agrees to deal with designated officers of the Union on all matters relating to grievances and the interpretation, application, or enforcement of the express terms of this Agreement. Said officers shall be permitted County time off to represent employees on grievances.

b. A written list of the officers of the Union authorized to represent the Union and its members, shall be furnished the County immediately after their designation, and the Union shall notify the County within a reasonable time of any changes of such officers. Those officers shall not be recognized by the County until such lists or changes thereto are received.

c. The Union officers recognized by the County shall be as follows:

President
Vice-President
Secretary/Treasurer
Officer
Officer

d. Upon request of the aggrieved employee, the president or another officer designated by the president may investigate the grievance or dispute, and assist in its presentation. The officer shall be allowed a reasonable time for this purpose during working hours without loss of pay, subject to prior notification and approval by his/her immediate supervisor. For investigations which take him/her physically outside his/her regular work area, such notification shall be on a form prescribed by the County, which will state the amount of time spent for the purpose. When an officer is investigating

grievances within his/her regular work area, the prior notification and approval may be oral and the form need not be used; however, the officer shall accurately record on his/her employee time sheet all on-duty time spent investigating grievances. The assignment of more than one (1) officer who is an employee to handle a grievance shall be subject to prior approval of the County Executive or his/her representative and approval shall not be unreasonably delayed or withheld.

ARTICLE III COUNTY RIGHTS

3.1 COUNTY RIGHTS

a. All County rights and functions, except those which are expressly abridged by this Agreement, shall remain vested with the County.

b. The rights of the County include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; train, direct and assign its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of County operations; determine the methods, means and personnel by which County operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work. The County has the right to make reasonable rules and regulations pertaining to employees consistent with this Agreement.

c. This Agreement is not intended to, nor may it be construed to, modify the provisions of the Charter relating to civil service or personnel administration. The Civil Service Commission shall continue to exercise authority over classification of jobs and procedures and standards of selection for employment and promotion.

d. This Agreement is not intended to restrict consultation with the Union regarding matters within the right of the County to determine.

e. This section is not subject to the grievance and arbitration procedure as outlined in this Agreement.

ARTICLE IV GENERAL PROVISIONS

4.1 STRIKES AND LOCKOUTS

a. No lockout of employees shall be instituted by the County during the term of this Agreement.

b. The Union agrees that during the term of this Agreement, neither it nor its officers, employees or members will engage in, encourage, sanction, support, or suggest any strikes, work stoppages, boycotts, slow downs, mass resignations, mass absenteeism, picketing or any other similar actions which would involve suspension of, or interference with, the normal work of the County. In the event that Union members participate in such activities in violation of this provision, the Union shall notify those members so engaged to cease and desist from such activities and shall instruct the members to return to their normal duties.

4.2 DISCRIMINATION

a. The County will not interfere with or discriminate in any way against any employee by reason of his/her membership in the Union or participation in any activity approved by this Agreement, nor will the County discourage membership in the Union or encourage membership in any other employee organization.

b. The Union, in turn, recognizes its responsibility as exclusive negotiating agent and agrees to represent all employees without discrimination, interference, restraint, or coercion. The provisions of this Agreement shall be applied equally to all employees without discrimination as to physical or mental disability, age, sex, marital status, religion, race, color, creed, national origin, or political or employee organization affiliation. The County and the Union shall share equally the responsibility for applying this provision of the Agreement.

ARTICLE V GRIEVANCE AND ARBITRATION PROCEDURE

5.1 PURPOSE

a. This grievance and arbitration procedure shall be used to process and resolve grievances arising under this Agreement.

b. The purposes of this procedure are:

(1) To resolve grievances informally at the lowest possible level;

- (2) To provide an orderly procedure for reviewing and resolving grievances promptly.

5.2 DEFINITIONS

a. A grievance is a complaint of one (1) or a group of employees, or a dispute between the County and the Union, involving the interpretation, application or enforcement of the express terms of the Agreement.

b. As used in this procedure the term "immediate supervisor" means the individual who assigns, reviews and directs the work of an employee.

c. As used in this procedure the term "party" means an employee, the Union or the County.

d. As used herein, "representative" or "Union representative", if an employee of the County, refers to an employee designated as such pursuant to Section 2.3.

5.3 TIME LIMITS

Each party involved in a grievance shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits contained in the grievance procedure, but with the written consent of all parties the time limitation for any step may be extended.

5.4 PRESENTATION

The grievant or the Union representative or both may present a grievance while on duty. For purposes of this section, a Union representative is defined as a professional Union staff member or a Union steward, so long as said Union steward is a full-time or regular part-time employee.

5.5 EMPLOYEE RIGHTS

The employee retains all rights conferred by Section 3500, et seq., of the Government Code or Chapter 2.79 of the Sacramento County Code.

5.6 APPLICATION

Grievances as defined in Section 5.2 shall be brought through this procedure. The procedure adopted by the Board of Supervisors, effective October 1, 1969, shall not apply to employees covered by this Agreement for any purpose whatsoever.

5.7 INFORMAL DISCUSSION

a. The grievance initially shall be discussed with the immediate supervisor. The employee may be represented by the Union representative.

b. Within five (5) workdays, the immediate supervisor shall give his/her decision or response. If the immediate supervisor fails to respond to the informal grievance within five (5) workdays, the grievant shall have the right to initiate a formal grievance no later than ten (10) workdays after the event or circumstance occasioning the grievance.

5.8 FORMAL GRIEVANCE - STEP 1

a. If an informal grievance is not resolved to the satisfaction of the grievant, or if there is reason to bypass the informal step, a formal grievance may be initiated. A formal grievance may be initiated no later than:

- (1) Ten (10) workdays after the event or circumstances occasioning the grievance; or
- (2) Within five (5) workdays of the decision rendered in the informal grievance procedure, whichever is later.

b. However, if the informal grievance procedure is not initiated within the period specified in Subsection (1) above, the period in which to bring the grievance shall not be extended by Subsection (2) above.

c. A formal grievance shall be initiated in writing on a form prescribed by the County and shall be filed with the person designated by the appointing authority as the first level of appeal. The employee may be represented by the Union representative.

d. Within ten (10) workdays after the initiation of the formal grievance, the designee of the appointing authority at the first level of appeal shall investigate the grievance, and give his/her decision in writing to the grievant.

5.9 FORMAL GRIEVANCE - STEP 2

a. If the grievant is not satisfied with the decision rendered pursuant to Step 1, he/she may appeal the decision within five (5) workdays to the appointing authority or his/her designee. The employee may be represented by the Union representative. If the appointing authority or his/her designee is the first level of appeal, the grievant may bypass Step 2.

b. Within ten (10) workdays the appointing authority or his/her designated representative shall respond in writing to the grievance. If a meeting is held between the

Union and the Step 2 designee, the appointing authority shall have ten (10) workdays from the date of the meeting to respond.

5.10 FORMAL GRIEVANCE - STEP 3

a. The Step 3 appeal shall be considered a formal request for a meeting and a written decision by the County Executive or his/her designee. The meeting should be held within twenty (20) working days from receipt of the appeal to Step 3.

b. The County and the Union agree to make every effort to schedule Step 3 grievance meetings twice a month. The intent of the parties is to hear all grievances within forty (40) working days of the appeal.

c. There shall be two (2) tracks to solve the problem at Step 3. The Union shall reserve the right to choose either:

- (1) Mediation as described in Section 5.11; or
- (2) Third step appeal as described in Section 5.12.

5.11 MEDIATION

a. Grievances appealed to Step 3 may be submitted by the Union to mediation. Mediation shall take place on the first and third Tuesday of each calendar month. Subsequent days for mediation will be scheduled, if necessary. The parties agree to mutually select a panel of mediators. If the parties are unable to select a panel of mediators, they shall utilize the State Mediation and Conciliation Service.

b. Under no case shall the adjustment or resolution of the grievance at this level exceed forty (40) working days from the date of their appeal to Step 3, unless extended by mutual agreement of the parties. If not extended, the Union may appeal the grievance to arbitration.

c. Mediators who have been selected by the parties to mediate grievance disputes will be scheduled on a rotating and available basis.

d. The parties agree to meet annually in May to review the mediators listed above. The list of mediators for the subsequent year shall be mutually agreed upon, but should the parties be unable to agree on a new list, the previous list will continue until such time as a new list is agreed to or the State Mediation and Conciliation Service is utilized.

e. All costs of the mediator, if any, shall be borne equally by the parties. No party shall purposely withhold information at this level but shall disclose all information relevant to the grievance for consideration by the other party.

f. Mediation Procedures: The mediation procedure shall be entirely informal in nature. However, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. All persons involved in the events giving rise to the grievance should be encouraged to participate fully in the proceeding, both by stating their views and by asking questions of the other participants at the mediation hearing.

g. The primary effort of the mediator shall be to assist the parties in settling the stated grievance in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one (1) party. If settlement is not possible, the mediator shall provide the parties with an immediate bench opinion, based on the stated grievance and the Collective Bargaining Agreement, as to how the grievance would be decided if it went to arbitration. That opinion would not be final or binding, but would be advisory. It would be delivered orally and would be accompanied by a statement of the reasons for the mediator's opinion. The advisory opinion may be used as the basis for further settlement discussions or for withdrawal or granting of the grievance. If the grievance is not settled, granted or withdrawn, the parties are free to arbitrate. If they do, the mediator shall not serve as arbitrator, and no offers or concessions made by the parties or the mediator during mediation can be used against a party during arbitration. Neither attorneys nor court reporters or any other type of note taker shall be allowed to be present at the proceedings.

h. If the parties agree to be bound by a mediator's recommendation, the subsequent agreement shall be reduced to writing and signed by the parties.

i. Any grievance not resolved within twenty (20) working days of the initial mediation session with no subsequent mediation session(s) scheduled and which the Union wishes to pursue may be appealed by the Union to arbitration within ten (10) working days.

5.12 HEARING AND RESPONSE - STEP 3

a. If the grievant chooses not to utilize mediation and is not satisfied with the decision rendered pursuant to Step 2, he/she may appeal the decision within five (5) workdays to the County Executive. The employee may be represented by a Union representative.

b. The County Executive or his/her designated representative shall, within ten (10) workdays of receipt of the appeal, schedule and conduct a grievance hearing unless extended by mutual agreement of the parties. The County Executive or his/her representative shall render a written response to the grievance within fifteen (15) workdays following the date of the grievance hearing unless extended by mutual agreement of the parties.

5.13 ARBITRATION - STEP 4

If the County Executive or his/her designated representative fail to respond in writing as provided in Step 3, or if the Union is not satisfied with the decision at Step 3, the Union shall have the right to refer the matter to binding arbitration. Such referral shall be made by written demand submitted to the County Executive within ten (10) workdays of receipt of his/her decision.

5.14 SELECTION OF ARBITRATOR

a. An impartial arbitrator shall be selected jointly by the parties within ten (10) workdays of receipt of the written demand.

b. In the event the parties are unable to agree, the parties shall solicit from the State of California Mediation/Conciliation Service a list of seven (7) arbitrators. After receipt of the list, the parties shall alternately strike an arbitrator's name from the list until one (1) name remains. If the selected arbitrator is unable or unwilling to hear the grievance, the parties shall again repeat the process unless they can mutually agree upon an arbitrator.

c. The County and the Union may use expedited arbitration. Expedited arbitration would include:

- (1) A requirement that the arbitrator selected render a decision within sixty (60) calendar days of the conclusion of the hearing.
- (2) Either side may request, at their cost, a court reporter.
- (3) No post hearing briefs unless mutually agreed by the parties.

d. Either the County or the Union may require a full arbitration hearing on any grievance.

5.15 DECISION

a. The decision of the arbitrator shall be final and binding.

b. The arbitrator shall have no authority to add, delete or alter any provisions of this Agreement, nor shall the arbitrator substitute his/her discretion in any case where the County is given or retains such discretion. The arbitrator shall limit his/her decision to the application and interpretation of the provisions of this Agreement.

5.16 COSTS

The fees and expenses of the arbitrator and the court reporter, if required by the arbitrator or requested by a party, shall be shared equally by the parties.

5.17 WITNESSES

The County agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant to this Agreement. The Union agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

5.18 RESPONSE

If the County fails to respond to a grievance within the time limits specified for each step, the grievant shall have the right to appeal to the next higher step up to Step 3.

5.19 COPY OF DECISION

At each step of the formal grievance procedure, a copy of the decision shall be sent to the Union at the same time as the decision is sent to the grievant.

5.20 GRIEVANCES/PERSONNEL FILES

Copies of grievances filed pursuant to this section will not be placed in personnel files as defined in Section 15.7-a.

ARTICLE VI HOURS OF WORK AND OVERTIME

6.1 HOURS OF WORK

a. The regular workweek shall commence Sunday and extend through Saturday, eight (8) hours per day, five (5) days per week, for a total of forty (40) hours, which includes authorized absences with pay.

b. The hours of work, including authorized absences with pay, of all part-time employees shall be established by the appointing authority but shall normally be less than eight (8) hours per day or forty (40) hours per week.

c. When an employee is ordered by the County to attend training, the time spent in training shall be counted as hours worked. Training which takes place during off-duty hours with attendance voluntary is not hours worked.

d. Permanent employees shall be given at least five (5) workdays' written notice prior to a permanent change in their assigned hours of work. The notice requirement shall not apply to temporary or emergency assignments.

6.2 AIRCRAFT RESCUE AND FIRE FIGHTING 24-HOUR WORK SCHEDULE

At such time that the County decides to implement a twenty-four-hour work schedule in Aircraft Rescue and Fire Fighting (ARFF), the parties agree that such twenty-four-hour work schedule shall be administered in accordance with the following provisions:

a. Hours of Work:

- (1) The article on hours of work and overtime of this Agreement shall not apply to employees assigned a twenty-four-hour work schedule.
- (2) All twenty-four-hour employees shall be scheduled to work a total of nine (9) shifts within a twenty-seven-day cycle, for a total of 2,912 hours of work per year. Employees shall report for duty at 0800 and go off duty 24 (twenty-four) hours later, at 0800 the following morning. Designation of shifts and assignment of personnel shall be at the discretion of the County.
- (3) Employees assigned a twenty-four-hour work schedule shall be on duty at all times and prepared to perform airport emergency rescue and fire-fighting activities as required. Other duties such as general maintenance, equipment readiness, inspections, training, housekeeping, lawn care and related work shall normally be performed between 0800 and 1700 hours. Break times and meal periods shall be considered hours worked and will be arranged by the County as operations permit.

b. Salary:

- (1) The sections on night shift pay and incentive pay for Firefighters – Aircraft Rescue and Firefighting of this Agreement shall not apply to employees assigned on a twenty-four-hour work schedule.
- (2) The straight time hourly rate of pay for employees on a twenty-four-hour work schedule shall be determined by dividing the employee's annual base salary by 2,912 hours. The annual base salary shall include Emergency Medical Technician (EMT) incentive pay and the total annual cost of night shift pay earned by employees pursuant to this Agreement but applied equally to all employees on a twenty-four-hour work schedule.

- (3) Whenever an employee is reassigned from a twenty-four-hour work schedule (2,912 hours of work per year) to a forty-hour work schedule (2,080 hours of work per year), the employee's straight time hourly rate shall be determined by dividing the employee's annual salary by 2,080 hours. As long as employees remain in ARFF job classifications while working a forty-hour work schedule, they shall not be eligible for night shift pay.
- (4) Employees will be paid on a biweekly pay schedule using 56 hours per week or 112 hours per pay period as the standard number of hours for the biweekly salary, which is equivalent to 2,912 hours per year.

c. Overtime:

- (1) Overtime hours worked will be compensated at one and one-half (1-1/2) times an employee's straight time hourly rate of pay. An employee shall be compensated at the overtime rate for all hours worked that are not part of the employee's assigned work schedule and for those hours worked over 204 hours in the twenty-seven day cycle. All paid leave except sick leave shall be counted as time worked for overtime purposes.
- (2) The County has the right to require an employee to remain at work and perform work-related duties for the duration of the established overtime period.

d. Callback: Callback shall be paid at 1-½ times the hourly rate of pay, for a period of two (2) hours or for hours actually worked, whichever is greater.

e. Leave Time:

- (1) Vacation, sick leave, and holiday-in-lieu, parental leave and the four (4) hours off work with pay on the last working day before Christmas or New Year's provided for in this Agreement shall be accrued by twenty-four-hour work schedule employees (2,912 hours of work per year) at the current accrual rates, times a conversion factor of 1.4. For example, forty-hour work schedule employees (2,080 hours of work per year) accrue sick leave at the rate of 4.6 hours biweekly. Thus, twenty-four-hour work schedule employees shall accrue 6.44 (4.6 X 1.4 = 6.44) hours of sick leave biweekly. Leave time accruals shall be decreased by the conversion factor of 1.4 whenever an employee is reassigned from a twenty-four-hour work schedule to a forty-hour work schedule.

- (2) Leave time balances and “caps” (maximums) shall be increased by the conversion factor of 1.4 whenever an employee is reassigned from a forty-hour work schedule to a twenty-four-hour work schedule. Leave time balances and caps shall be decreased by the conversion factor of 1.4 whenever an employee is reassigned from a twenty-four-hour work schedule to a forty-hour work schedule.
- (3) Vacation, sick, and other leave time provided for in this Agreement shall be taken by twenty-four-hour work schedule employees pursuant to existing provisions of this Agreement, except that leave time other than sick leave shall not be taken in blocks of less than four (4) hours, at the discretion of management.
- (4) For the Wellness Incentive Program, the twelve (12) hours use of sick leave and the eight (8) hours off will be converted by a 1.4 factor.

f. General:

- (1) If the above provisions conflict with other terms of this Agreement, the provisions of this section shall prevail.
- (2) Whenever a term of this Agreement references a forty-hour work schedule, such term shall be increased, if applicable, by a conversion factor of 1.4 when it is applied to employees assigned a twenty-four-hour work schedule.

g. Retirement: Employees shall be credited with 2,080 hours of service credit per year or eighty (80) hours per pay period for retirement purposes.

h. Jury Duty:

- (1) If jury duty occurs on the same day as a scheduled shift, the employee will inform his/her immediate supervisor in advance and report directly to the assigned jury duty location. Upon release from jury duty for the day, the employee will report for the remainder of the shift.
- (2) If an employee is required to report for jury duty on the day following a duty shift, the employee shall be released from duty ten (10) hours prior to the end of the shift for the purpose of assuring rest and alertness in the performance of jury duty.
- (3) When an employee is on jury duty for the entire day, is released from jury duty by the court after 4:30 p.m. and is scheduled to return to jury duty the following day, the employee shall not be required to

report for the remainder of his/her assigned shift. If, however, the employee is released by the court prior to 4:30 p.m. the employee shall report for his/her assigned shift and shall thereafter be released from duty ten (10) hours prior to the end of the shift.

6.3 OVERTIME

a. Employees will be compensated only for overtime ordered by designated supervisory personnel.

b. Employees required to work in excess of eight (8) hours per day or forty (40) hours per week shall be compensated for such overtime with pay at one and one-half times the hourly rate or by compensating time off on the basis of one and one-half hours off for each hour of overtime worked. If the department is unable to schedule and grant time off within one (1) year from the date the overtime was performed, cash payment shall be made in lieu of compensating time.

c. All paid leave except sick leave shall be counted as time worked. Time worked in excess of eight (8) hours in a day shall not be counted in determining whether an employee has worked in excess of forty (40) hours in a week.

d. Part-time employees shall be compensated for overtime at their regular hourly rate or one (1) hour of compensating time off for each hour worked in excess of their normal workday or week; provided, however, for work performed in excess of eight (8) hours per day or forty (40) hours per week, they shall be compensated as provided in Subsection b.

e. Employees who work overtime shall promptly and accurately report such time in the manner prescribed by the County.

f. Overtime shall be distributed fairly among employees insofar as circumstances permit.

g. Employees who are granted one (1) day off every four (4) weeks (H-day) in lieu of prescribed holidays shall be compensated pursuant to this subsection if they are required to work on a day which has been scheduled as a day off (H-day) in lieu of prescribed holidays.

h. The parties mutually agree that the appointing authority shall have the sole authority to schedule the use of accrued compensatory time off (CTO). Such scheduling shall be at the discretion of the division chief. The appointing authority will give employees five (5) calendar days' notice prior to scheduling CTO.

6.4 POLICY FOR EQUAL DISTRIBUTION OF OVERTIME AND CALL-BACK TIME

a. Purpose: This policy is established for equal distribution of overtime and call-back time.

b. General Provision: Overtime work shall be distributed equally insofar as possible among qualified employees engaged in the same activities or any one (1) class in accordance with the criteria established herein.

c. General: The County shall determine which employees are qualified for overtime based on the following factors:

- (1) Employee class.
- (2) Job location.
- (3) Experience related to task for which overtime is required.
- (4) Physical qualification required to perform the work.
- (5) Project assignment.
- (6) Shift.
- (7) Completion of started assignment.
- (8) Emergency.
- (9) Desire to work overtime.
- (10) Employee availability.

d. Practice: The qualified employee who has the least number of overtime hours to his credit shall work the overtime.

e. All hours worked to be charged as overtime.

f. Distribution: It is understood that the nature of certain work assignments does not easily permit equal distribution of overtime, and in such cases exceptions may be made to equal distribution. Such exceptions are to be identified by the County for each activity. Any disagreement between the Union and the County regarding the exceptions shall be resolved pursuant to the grievance and arbitration procedure.

g. Records:

- (1) Overtime records shall be made available to employees and authorized Union representatives.
- (2) Records shall show all hours worked during the preceding month and total cumulative hours.
- (3) Each activity, function, or organization element within which equal overtime distribution is considered feasible for identified groups of employees shall maintain appropriate records. The specific format of

these records shall be determined by the appropriate level of management in charge of the activity but shall consist of a listing or grouping of employees among which overtime is considered feasible or practicable.

6.5 REST PERIODS

- a. All employees may be allowed rest periods not to exceed fifteen (15) minutes during each four (4) consecutive hours of work.
- b. An employee who misses a scheduled break may be allowed to take a break later during the four-hour work period. However, all rest periods shall be scheduled in accordance with the requirements of the department.
- c. The appointing authority may designate the location or locations at which rest periods may be taken.
- d. Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

6.6 CHANGES IN SCHEDULED SHIFT OR DAYS OFF

Permanent employees shall be given at least three (3) shifts for twenty-four-hour work schedule or five (5) days for forty-hour work schedule notice prior to a change in their shift or days off. If an employee's shift or days off are changed without the above notification, he/she shall be paid the overtime rate for all hours worked on the first day of the new shift. The notice requirement and overtime provision shall not apply to emergency assignments.

6.7 CHANGES IN WORK LOCATION FOR PERMANENT EMPLOYEES

This section applies to permanent employees only.

- a. No permanent employee shall be permanently transferred between work sites without three (3) shifts for twenty-four-hour work schedule or five (5) days for forty-hour work schedule prior notice.
- b. No permanent employee shall be temporarily transferred without notice of at least one (1) day prior to said transfer, except in case of emergency.
- c. A temporary work site transfer of a permanent employee shall not exceed a period of twelve (12) shifts for twenty-four-hour work schedule or thirty (30) working days for forty-hour work schedule.
- d. Transfer shall not include temporary assignment for a portion of a workday or days to a different work location.

- e. This section shall not apply to permanent employees who, due to the nature of their assignment, report to a different location on a regular basis.
- f. For purposes of this section, a change in work site means a significant change in report location (that is, Downtown to Bradshaw, not Sheriff's Building to County Administration Building).
- g. If an employee's work location is changed without the above notification, he/she shall be paid the overtime rate for all hours worked on the first day of the assignment to the new work location.

6.8 WORK SCHEDULE FOR FIREFIGHTERS – AIRCRAFT RESCUE AND FIREFIGHTING

The annual Firefighters – Aircraft Rescue and Firefighting shift work schedule will continue from year to year.

**ARTICLE VII
SALARIES**

7.1 SALARY INCREASES

a. 2006-07 Salaries: Effective June 25, 2006, salaries of employees in the Firefighters – Aircraft Rescue and Firefighting Unit shall be increased by 3% as provided in Exhibit "A." The ranges stated refer to the Salary Schedule which is Exhibit "B." In addition, salaries will be adjusted as follows:

<u>Old Class</u>	<u>New Class</u>	<u>% Adjustment</u>
Fire Operations Worker, Level I	Firefighters – Aircraft Rescue and Firefighting, Level I	13%
Fire Operations Worker, Level II	Firefighters – Aircraft Rescue and Firefighting, Level II	13%
Senior Fire Operations Worker	Firefighters – Aircraft Rescue and Firefighting, Level II	3.2% (salary to be equivalent to Firefighters – Aircraft Rescue and Firefighting, Level II)

b. 2007-08 Salaries: Effective June 24, 2007, pursuant to a Letter of Understanding dated November 22, 2006, between the parties, salaries will be adjusted.

c. 2008-09 Salaries: Effective June 22, 2008, in addition to a 2% equity increase for all classes, salaries shall be increased based on the average percent of year-to-year change in the Consumer Price Index (U.S. City Average, Urban Wage Earners and Clerical Workers) reported for each of the twelve (12) months ending with the month of March 2008, rounded to the nearest one-tenth of one percent (1/10%); provided, however, such increase shall not be less than two percent (2%) nor more than five percent (5%).

d. 2009-10 Salaries: Effective June 21, 2009, in addition to a 2% equity increase for all classes, salaries shall be increased based on the average percent of year-to-year change in the Consumer Price Index (U.S. City Average, Urban Wage Earners and Clerical Workers) reported for each of the twelve (12) months ending with the month of March 2009, rounded to the nearest one-tenth of one percent (1/10%); provided, however, such increase shall not be less than two percent (2%) nor more than five percent (5%).

e. 2010-11 Salaries: Effective June 20, 2010, in addition to a 2% equity increase for all classes, salaries shall be increased based on the average percent of year-to-year change in the Consumer Price Index (U.S. City Average, Urban Wage Earners and Clerical Workers) reported for each of the twelve (12) months ending with the month of March 2010, rounded to the nearest one-tenth of one percent (1/10%); provided, however, such increase shall not be less than two percent (2%) nor more than five percent (5%).

f. All salary and equity increases shall be applied at Step 9. It is understood that the amounts of the increases are approximate and may vary slightly due to rounding.

7.2 SALARY ADMINISTRATION

a. Entry Step: Effective July 2, 2000, the entry step within the established range for each class shall be Step "5" unless specifically designated as Step "6", "7", "8", or "9". Except as otherwise provided, any person appointed to a class shall receive the entry step of the ranges of such class and shall accrue other benefits as a new employee.

b. Reemployment: Any person appointed in accordance with the rule governing reemployment following layoff shall receive compensation and benefits as though he or she had been on leave without pay.

c. Reinstatement: Any person appointed in accordance with the rule governing reinstatement following resignation in good standing shall be considered a

new employee. At the discretion of the appointing authority, a reinstated employee may receive a starting salary higher than Step "5", but not exceeding the step that he or she received at the time of resignation.

d. Return to Former Class: An employee who is returned to a former class following promotion, transfer, or demotion due to layoff, shall receive that step of the range which he or she would have received had he or she never left the former class.

e. Promotion: Upon promotion, an employee shall receive the lowest step in the new class which provides an increase of at least five percent (5.0%). Extra-help employees shall be placed at the lowest step of the new class.

f. Transfer: Upon transfer an employee shall receive the same step in the new range as he or she received in the former range. For purposes of this provision, a transfer is a change between classes when the maximum salary range of the class to which the transfer is made is less than five percent (5.0%) higher or is less than five percent (5.0%) lower.

g. Demotion: A demotion is a change to a class which has a maximum salary rate which is at least five percent (5.0%) lower than the maximum salary rate of the former class. Whenever an employee is demoted due to layoff, without cause or inability on his or her part, his or her salary shall be that step in the new range which provides an equal salary, or in the absence thereof, the nearest lower salary, to that received prior to the demotion. In all cases of demotion for cause, the employee shall receive the same step in the lower range as he or she received in the higher range. An employee with permanent status in a class who, with the approval of the appointing authority, voluntarily demotes to a lower class shall receive the step in the lower range which provides an equal salary or, in the absence thereof, the nearest lower salary to that which was received prior to demotion.

h. Return from Leave Without Pay: Return following leave without pay is not an appointment, but is a continuation of service; however, salary and benefits, other than employment status, shall be based on actual service. This provision shall not apply to employees returning from military leave.

i. Y-Rate: The Board of Supervisors may adopt a Y-rate to apply to: (1) an employee who would suffer an actual decrease in salary as a result of action taken by the County, without fault or inability on the part of the employee, or (2) an employee who is changing from one (1) class series to another, as a normal consequent of career development through the County's upward mobility program, and the salary of the class the employee enters in the new class series is less than the salary the employee was receiving in the former class. A Y-rate means a salary rate, for an individual employee, which is greater than the established range for the class.

j. Y-Rate Salary Increase: An employee for whom a Y-rate is established shall not receive any increase in salary until such time as his or her rate of compensation

is within the established range for his/her class, at which time the employee shall receive the highest step of the range. The employee shall receive a proportionate decrease in salary whenever a lower range is established for the class in the Agreement.

k. Granting of Status: Whenever the Civil Service Commission or other appropriate authority grants an employee direct status in another class, the employee shall receive the step determined in accordance with the provisions of this section.

l. Class Salary Range Changes: When the salary range for a class is changed in the Agreement, employees in the class shall change to the new range but shall remain at the same step. When changes in an employee's class or salary, or both, occur simultaneously with salary range adjustments in the Agreement, the employee changes shall precede the Agreement adjustments in application.

m. Entry Step Adjustments: When the entry step for a class is adjusted to above Step "5" in the Agreement, the salary step for each employee in the class shall be increased in proportion to the change in entry step; provided, however, that no employee shall advance beyond Step "9".

n. Biweekly Salaries: The pay period for all employees shall cover fourteen (14) calendar days, starting on a Sunday and ending with the second Saturday thereafter. Salaries shall be paid on the Friday following the end of the pay period; except that if Friday falls on a holiday, salaries shall be paid on Thursday. Salaries shall be computed as provided in this Agreement.

o. Salary Computation: The regular salary for each employee shall be based on the actual number of days or hours worked in the pay period, including authorized absences with pay, multiplied by the employee's daily or hourly rate. Such payments shall not exceed the biweekly rate as determined by the employee's range and step.

p. Special Pay: Special payment, including standby, overtime, premium, and other special payment, shall be calculated in accordance with the applicable provisions of this Agreement.

q. Payment in Full: Compensation paid pursuant to this Agreement shall be payment in full for services rendered in a County position. No employee shall accept any other compensation for services performed in such position.

r. The salary level at which initial appointments are made to classes with more than one (1) salary level, and advancement from the lower to the higher salary level of such classes (for example, from Level I to Level II) shall be at the discretion of the appointing authority provided the minimum qualifications as stated in the class specifications as adopted by the Civil Service Commission are met. Advancement from the lower to higher salary level shall not be arbitrarily or capriciously denied. By virtue of this provision, the Civil Service Commission is given the authority by both the County and the Union to determine the appropriate minimum qualifications for the salary levels of

current and new classes. However, neither the Union nor the County have transferred or assigned any meet and confer rights or obligations regarding the establishment of minimum qualifications for salary levels to the Civil Service Commission.

7.3 SALARY STEP INCREASES

a. Increase to steps above the entry step shall be based on performance and length of service. The employee must have earned the equivalent of at least twenty-six (26) biweekly pay period of full-time eligible service since his/her step increase date.

b. Except as otherwise provided below, an employee's step increase date shall be the first day of the first full biweekly pay period in any class or the date of his or her last step increases, whichever is most recent.

c. An employee's step increase may be deferred while he or she is in provisional or probationary status. Upon receipt of a deferred increase, the employee's step increase date shall be the same as it would have been had the increase not been deferred; and retroactive payment will be made.

d. Upon change in class which results in a salary decrease, an employee shall retain the same step increase date.

e. Upon promotion, an employee shall receive a new increase date when the salary increase is 9.5% or higher.

f. An employee in Step "9" shall have no step increase date, and service in Step "9" shall not be considered as eligible service for future step increases.

g. Continuous extra-help employment up to fifty-two (52) weeks of full-time service, or the equivalent, shall be considered as eligible service for a step increase for an employee who is appointed to a regular position without a break in service. Such extra-help employment shall be subject to all other provisions of this section governing step increases.

h. Overtime work shall not be considered as eligible service.

i. A step increase may be denied only for just cause.

j. Temporary employees with no permanent status on June 27, 1981, who continue to be temporary employees thereafter with no break in service, will continue to be compensated at Step "7". If there is a break in service and the former employee is reappointed to a temporary position or appointed to a permanent position, the employee will start at the beginning step of the salary range for the class in which the employee is appointed. If a temporary employee has no break in service and is appointed to a permanent position, the employee will start at the beginning step of the salary range for the class in which the employee is appointed except that continuous extra-help

employment up to fifty-two (52) weeks of full-time service or the equivalent, shall be considered as eligible service for a step increase for an employee who is appointed to a regular position without a break in service.

7.4 PAY DIFFERENTIAL FOR ACTING SUPERVISOR OR ACTING LEADPERSON

a. When an employee formally is assigned in writing as an acting supervisor or acting leadperson for relief necessitated by scheduled days off for a supervisor or leadperson, vacation relief, sick leave relief, or pending the filling of a vacant position for which civil service appointment processes have been initiated, he/she shall receive a five percent (5%) pay differential for the first through the forty-fifth workday in such an assignment.

b. No temporary assignment under these provisions shall continue for more than forty-five (45) shifts. The purpose of this restriction is to prevent the pay differential from being used to circumvent civil service appointment processes.

7.5 PAYROLL ERRORS

a. This provision applies when the County determines that an error has been made in relation to the base salary, overtime cash payment, or paid leave accruals, balances, or usage. In such cases the County shall, for purposes of future compensation, adjust such compensation to the correct amount. The County also shall give written notice to the employee.

b. As used in this section:

- (1) “Base salary” means the biweekly rate of pay including special pay allowances and differentials but excluding overtime cash payment.
- (2) “Overtime cash payment” means authorized pay for working in excess of a prescribed number of hours, usually eight (8) hours per day or forty (40) hours per week.
- (3) “Paid leave” means vacation, sick leave, compensating time off and all other types of authorized leave with pay.
- (4) “Overpayment” means any cash or leave (balance, usage or accruals) that has been overpaid or over-credited to an employee regardless of the reason, including, but not limited to, administrative, clerical or system errors.
- (5) “Underpayment” means any cash or leave (balance, usage or accruals) that has been underpaid or under-credited to an employee

regardless of the reason, including, but not limited to, administrative, clerical or system errors.

c. If the error has resulted in an overpayment or underpayment, reimbursement shall be made to the County if the error was an overpayment, or by the County if the error was an underpayment, in the amount which has occurred within one (1) year prior to the date of the Director of Personnel Services' initial written notice to the employee.

- (1) In the case of overpayment, reimbursement of the overpayment shall be made through one (1), or a combination of the following methods:
 - (a) In cash payment(s) mutually agreed to by the employee and the Department of Personnel Services;
 - (b) A one-time only leave adjustment to CTO or vacation equivalent to the dollar amount of overpayment (sick leave may not be used unless the overpayment involved the use of sick leave);
 - (c) Installments through payroll deduction to cover the same number of pay periods over which the error occurred. If the installments exceed ten percent (10%) of the employee's base salary (including incentives, et cetera), lower deductions may be made providing the lower deduction is at least ten percent (10%) of the employee's base salary including incentives, et cetera.
- (2) In the case of an underpayment the County will expedite reimbursement to the employee via an in-lieu warrant, a gross pay adjustment or a leave balance adjustment, whichever applies and is most appropriate.
- (3) An employee whose employment terminated prior to full reimbursement of an overpayment shall have withheld from any salary owing the employee upon termination an amount sufficient to provide full reimbursement. If that amount is not sufficient to provide full reimbursement, the County shall have the right to exercise other legal means to recover the additional amount owed.
- (4) Any amount of overpayment or underpayment for any period earlier than one (1) year prior to the date of the Director's initial written notice to the employee, shall be deemed waived and not reimbursable.

d. The provisions of this section do not apply to grievance disputes which contend that the County has underpaid by misapplying or incorrectly interpreting the terms of this or any previous agreement. The time limits for the filing and processing of any grievance shall not be deemed to be excused, extended or otherwise modified by the provisions of this section. Nor shall the relief available through the grievance procedure be enlarged by or as a result of the provisions of this section.

e. The provisions of this section apply only to errors involving base salary or overtime cash payment and paid leave accruals, balances, or usage. No provision of this Agreement shall preclude the correction or recovery by the County of past overpayments or other losses which result from errors involving other matters, such as insurance, retirement, social security and court-ordered payments.

ARTICLE VIII HOLIDAYS

8.1 HOLIDAYS

a. Effective January 7, 2007, regular employees who work in a unit for which the normal work schedules include Saturdays, Sundays, and holidays shall be granted one (1) day off for every four (4) weeks in lieu of prescribed holidays. Such time off shall be designated in the employee's regular work schedule. If not scheduled and taken every four (4) weeks, such time shall accrue at the rate of four (4) hours, or 5.6 hours for a 24-hour schedule, each biweekly pay period.

e. Employees shall be eligible to use accrued vacation as provided in this section. An employee who separates or is terminated from County service or who takes military leave in excess of one-hundred and eighty days (180) shall be paid the full monetary value of his/her full vacation. Such payment to an employee who separates or is terminated shall be made on the last workday of actual duty or as soon thereafter as possible.

f. Whenever possible, vacations shall be granted at the time requested by the employee. In order to avoid undue disruption of work activities or to minimize conflicts with other employees' vacations, the appointing authority may place reasonable seasonal or other restrictions on the use of accrued vacation.

g. Supervisors shall prepare and post for their organizational units a schedule of available vacation periods based on efficient staffing of the unit in relation to estimated workload. Each employee shall indicate by order of preference the vacation period(s) desired. If an employee requests that his/her vacation be taken in two (2) or more non-contiguous vacation periods, his/her seniority within current classifications shall apply to his/her first choice of vacation periods requested. Seniority shall also apply to second and subsequent choices in determinations involving employees' second and subsequent choices. Seniority shall be exercised only once by each employee in each successive choice of vacation periods.

h. The supervisors shall review these requests, resolve any conflict in favor of employees with the greater seniority within current classification, and recommend the completed schedule to the appointing authority or his/her designee. After the vacation schedule has been approved by the appointing authority, an employee promoted into or transferred into a unit may not "bump" another employee's previously scheduled vacation period without that employee's consent.

i. The supervisor shall post the unit schedules mentioned in Subsections j. and k. above by January 10th of each year. Employees shall submit their vacation request(s) no later than the close of business January 31st. The supervisor shall post the approved vacation calendar in an area easily accessible to employees by February 15th.

9.2 SICK LEAVE WHILE ON VACATION

An employee who while on vacation is incapacitated for one (1) or more days due to personal illness or injury may charge such days to accrued sick leave. In such event, the employee promptly shall notify his/her department, and upon return to duty shall substantiate the need for, and use of, sick leave.

9.3 SICK LEAVE

a. Sick leave credits shall be earned by regular employees based on the equivalent of full-time service from the date of appointment. Sick leave credit shall accrue to the employee upon completion of the regular work assignment on the last day of the biweekly pay period in which it is earned. Sick leave credit shall accrue on the basis of six and four-tenths (6.4) hours for twenty-four-hour work schedule or four and six-tenths (4.6) hours for forty (40) hour work schedule per biweekly pay period of service, and may be accumulated without limitation.

b. Sick leave credits shall accrue at the rate stated above and may be used for sick leave with pay as provided below:

- (1) A regular employee may use sick leave for personal purposes or family purposes as provided in this section.
- (2) For personal purposes, a regular employee may use sick leave for:
 - (a) Absence from duty when quarantined because of exposure to a contagious disease or when incapacitated from performing his/her duties because of personal illness, injury, dental work or pregnancy.
 - (b) Absence from duty for examination or treatment by a medical doctor or dentist, even though the employee is not quarantined or incapacitated. The employee shall give the immediate supervisor reasonable advance notice of such scheduled absences. The absence shall be permitted except when an absence at that time would unduly interfere with County operations. In all cases the employee shall attempt to schedule examinations at times that minimize interference with County operations.
 - (c) Absence from duty to donate blood: Such an absence shall be scheduled at the discretion of the appointing authority, shall cover the time needed to donate blood but shall not exceed four (4) hours in any instance, and shall be approved only upon submission to the appointing authority of an official blood bank receipt reflecting the donation.
- (3) For family purposes, a regular employee may use leave credits for:
 - (a) Attendance upon an eligible family member who is incapacitated because of illness or injury and definitely requires personal care. The length of such absence shall be

limited by the appointing authority to the time reasonably required to either provide care or to make other arrangements for such care. For the purposes of this Subsection (3), an eligible family member is the employee's spouse, child, parent, grandparent, domestic partner (as defined by Section 297 of the California Family Code), or domestic partner's child. Additionally, under this subsection, an eligible family member is any other close relative or child who resides with the employee.

- (b) To transport an eligible family member to and from a local hospital for medical treatment or operation, including child birth.
- (c) To attend, at any location, during serious medical treatment or operation, including childbirth, performed upon an eligible family member.

- (4) The appointing authority may require reasonable substantiation of the need for, and use of, sick leave.

c. If it is not practical to return an employee to work after a partial day's sick leave, the County may permit the employee to use sick leave for the entire day.

9.4 FAMILY DEATH LEAVE

- a. The County shall authorize family death leave with pay, for a regular employee, when needed, due to the death of his/her:
 - (1) spouse
 - (2) registered domestic partner
 - (3) child
 - (4) child of registered domestic partner
 - (5) parent
 - (6) grandparent
 - (7) grandchild
 - (8) brother
 - (9) sister
 - (10) brother-in-law; brother of registered domestic partner; registered domestic partner of brother
 - (11) sister-in-law; sister of registered domestic partner; registered domestic partner of sister
 - (12) mother-in-law; mother of registered domestic partner
 - (13) father-in-law; father of registered domestic partner
 - (14) any child or close relative who resided with the employee at the time of death.

- b. The employee shall give notice to his/her immediate supervisor prior to taking such leave.
- c. Such absence for family death shall be limited to time which is definitely required and shall not exceed five (5) days for any one (1) death. Family death leave benefits will be prorated for part-time employees based upon the number of hours worked (for example, a half-time employee to a maximum of twenty [20] hours, four-fifths employee to a maximum of thirty-two [32] hours, a full-time employee to a maximum of forty [40] hours) for a forty (40) hour schedule or fifty-six (56) hours for a twenty-four (24) hour schedule.
- d. The intent of this benefit is that it be used within reasonable proximity of the death of the relative unless there are circumstances present which are clearly beyond the control of the employee.

9.5 MILITARY LEAVE

Employees shall be granted military leave as required by statute.

9.6 DISABILITY LEAVE

a. An employee who has suffered possible injury in the performance of assigned duties shall immediately undergo such medical examination as the appointing authority deems necessary. He/she shall not be considered absent from duty during the time required for such examination.

b. A regular employee who is unable to perform any appropriate work assignment because of disability incurred in the performance of assigned duties shall be entitled to the following disability leave benefits, in addition to those provided pursuant to the California Worker's Compensation Insurance Act:

- (1) During any period of disability for which payment is not provided under worker's compensation insurance, the employee shall be placed on disability leave with pay to the extent of any leave with pay which he/she has accrued. Such disability leave with pay shall be charged against the employee's accrued leave with pay;
- (2) During any period of disability for which payment is provided under Worker's Compensation Insurance, the employee shall elect to either:
 - (a) Retain any worker's compensation benefits received during the pay period and receive full pay. The employee shall use their accrued sick leave, vacation, CTO and HIL on an hour-

for-hour basis to cover all hours the employee is absent from duty due to the work-related disability during the applicable pay period. Or,

- (b) Retain any worker's compensation benefits received during the pay period and receive a partial paycheck in an amount so that the partial pay and the worker's compensation benefits added together are equivalent to the employee's full pay. The employee shall use their accrued sick leave, vacation, CTO, and HIL in an amount equal to one-half of the number of hours the employee was absent from work during the pay period due to the work-related disability. If, however, the amount of the worker's compensation benefits is subtracted from the employee's full pay for the time off due to the disability, and the remainder is less than one-half of the amount of such full pay, then only the number of leave balance hours necessary to equal that remainder shall be charged.

c. All disability leave provisions of this section shall terminate when the employee uses all accrued sick leave, vacation, CTO, or HIL balances, or upon the date of the employee's recovery from disability, receipt of permanent disability under worker's compensation insurance, retirement, termination from County employment or death.

9.7 JURY DUTY

a. A regular employee shall be allowed such time off with pay as is required in connection with jury duty; provided, however, that payment shall be made for such time off only upon remittance of full jury fees, or upon submittal of acceptable evidence that jury fees were waived.

b. Such employee shall notify his/her appointing authority immediately upon receiving notice of jury duty.

c. An employee who takes vacation or compensating time off while on jury duty shall not be required to remit or waive jury fees in order to receive his/her regular salary.

9.8 TIME OFF FOR PROMOTIONAL EXAMINATIONS AND TRANSFER INTERVIEWS

a. Regular employees shall be released from duty without loss of compensation while competing in County civil service examinations that are scheduled during duty hours.

b. Whenever an employee has an appointment to appear for a transfer interview, the employee shall be released from duty without loss of compensation while being interviewed during normal work hours. Every effort should be made to schedule transfer interviews at times that minimize interference with County operations.

9.9 MATERNITY LEAVE OF ABSENCE

An employee's request for leave of absence without pay during or after childbirth shall be granted. Such leaves shall not exceed six (6) weeks from date of delivery unless otherwise medically determined.

9.10 ASSIGNMENT OF LEAVE FOR CATASTROPHIC ILLNESS AND OTHER PURPOSES

Regular employees shall be eligible to participate in the County's program of assignment of leave for catastrophic illness and other purposes. The County will provide the Union a copy of the standardized County Policies and Procedures regarding the implementation of this program.

9.11 PARENTAL LEAVE

a. Each regular County employee with at least one (1) year of continuous service shall be entitled to schedule paid parental leave upon the birth of the employee's child, the birth of the employee's registered domestic partner's child or during the process of an adoption of a minor child by an employee. In the case of an adoption, the entitlement shall arise upon both: (1) the placement of the child in the employee's home and (2) the employee initiating or having completed an adoptive home study for the adoption of the child. The purposes of parental leave are to facilitate parental bonding, family adjustment, and child care, and such leave shall be used consistent with these purposes.

b. Parental leave shall be approved by the employee's appointing authority, except where the granting of the parental leave request would unduly interfere with or cause severe hardship upon department operations. Wherever possible, departments shall make reasonable accommodations to permit parental leave, either on a full-time or part-time basis.

c. The maximum paid parental leave for full-time regular employees shall be 224 hours for twenty-four-hour work schedule or 160 hours for forty-hour work schedule. Parental leave shall be prorated for part-time regular employees. Parental leave shall not extend beyond four (4) months from either: (1) the date of birth of the employee's child, or (2) in the case of adoption, the initial date of residence of such child with the employee. The maximum 224 hours for twenty-four-hour work schedule or 160 hours for forty-hour work schedule shall apply to each birth or adoption, regardless of the number of children born (twins, triplets, et cetera) or adopted.

d. Parental leave is separate and distinct from the use of sick leave for pregnancy, since it is not based upon disability. Parental leave is available to be scheduled at the conclusion of the use of sick leave for pregnancy.

e. Employees must make a written request to use parental leave. The written request shall be made at least thirty (30) calendar days prior to the anticipated start of the parental leave, except in cases of an unanticipated early childbirth or adoption, in which case the employee shall make the written request with as much advance notice as possible. The written request shall also provide such information or substantiation as may be required by the Director of Personnel Services.

f. An employee who while on parental leave is incapacitated for one (1) or more days due to personal illness or injury may charge such days to sick leave. In such event, the employee promptly shall notify their department, and shall submit substantiation of the need for, and use of, sick leave.

g. Use of parental leave does not reduce or adversely affect the maximum one (1) year unpaid leave of absence that an employee may request for child care or family reasons following the birth or adoption of a child.

9.12 WELLNESS/SICK LEAVE INCENTIVE PROGRAM

a. Effective with Pay Period #1, beginning January 1994, the County shall establish a Wellness Incentive Program. Eligible full-time regular employees who use sixteen and eight-tenths (16.8) hours for twenty-four-hour work schedule or twelve (12) hours for forty-hour work schedule or less of sick leave in Pay Periods #1 through #13 of any year shall receive a Wellness Certificate enabling them to take eleven and two-tenths (11.2) hours for twenty-four-hour work schedule or eight (8) hours for forty-hour work schedule_off with pay during the following six-month period. Eligible full-time employees who use sixteen and eight-tenths (16.8) hours for twenty-four-hour work_schedule or twelve (12) hours for forty-hour work schedule or less of sick leave in Pay Periods #14 through #26 of any year shall receive a certificate enabling them to take eleven and two-tenths (11.2) hours for twenty-four-hour work schedule or eight (8) hours for forty-hour work schedule_off with pay during the following six-month period. The certificate shall have no monetary value.

b. Regular employees must be continuously on the County payroll and eligible to earn and use sick leave during the entire twenty-six-week period from Pay Period #1 through #13, and from Pay Period #14 through #26. Any employee on an unpaid leave of absence during a portion of the designated twenty-six-week period is excluded for that time period. Any employee during the designated twenty-six-week period who receives pay pursuant to Labor Code Section 4850 or who receives SDI integration pursuant to Section 10.4 or who selects the disability leave option pursuant to Section 9.7, is excluded from participation for that time period. Any employee who was temporary and transferred to a permanent position during the designated twenty-six-week time period is excluded for that time period.

c. Part-time regular employees who work forty (40) or more hours per pay period shall be eligible to participate in the Wellness Incentive Program. The same eligibility rules as outlined in Subsection b. above shall apply. However, the maximum amount of sick leave allowed for a part-time employee to use in Pay Periods #1 through #13, or in Pay Periods #14 through #26, shall be prorated. This means for a half-time employee the maximum sick leave that may be used is six (6) hours; for a four-fifths employee, the maximum would be 9.6 hours. The amount of time off received by the qualifying part-time employee shall also be prorated. This means a half-time employee would receive a certificate for four (4) hours time off, and a four-fifths employee would receive a certificate for 6.4 hours time off.

d. This program does not restrict an employee's ability to use sick leave as authorized by Section 9.3 of this Agreement.

e. The County shall provide the Union with a copy of the County Policy and Procedure necessary to implement the County's Wellness Incentive Program as outlined above.

ARTICLE X HEALTH AND WELFARE

10.1 GENERAL PROVISIONS

a. Eligibility: All regular full-time employees of the unit shall be eligible to participate in County-sponsored insurance and benefit programs defined in this article. Regular part-time employees who work a minimum of forty (40) hours per biweekly pay period shall also be eligible to participate.

b. Dependent Eligibility: For all programs covered in this article, eligible dependents are an employee's lawful spouse or domestic partner (as defined by Section 297 of the California Family Code), and unmarried children (natural, step, adopted, legal guardianship, and/or foster) of the employee or domestic partner, who are qualified IRS dependents of the employee or domestic partner, up to twenty-three (23) years of age. Disabled dependents may be able to continue coverage beyond the limiting age if the disability occurred while the dependent was covered under a County-sponsored medical plan or prior to the dependent's 19th birthday, and is certified by a licensed physician.

c. Enrollment In Benefits Plans:

- (1) All new employees shall automatically be enrolled in the default level of medical, dental, and basic life insurance coverage. Employees shall be charged the applicable level of employee contribution, if any, for each plan. During the first thirty (30) days of employment, an employee may waive coverage under the medical plan by providing

proof satisfactory to the plan that the employee has other group medical insurance coverage. An employee may also change their health plan or coverage option under the plan (e.g. from employee only coverage to an option that includes dependent coverage) during the first thirty (30) days of County employment. Failure to make any change within the thirty (30) day initial enrollment period shall be considered an irrevocable election for the default coverage.

- (2) Employees subsequently desiring to make a coverage change may do so only under the following circumstances: (1) during any annual enrollment period for coverage effective on the first day of the following calendar year; (2) upon the occurrence of certain qualifying events as prescribed by the Health Insurance Portability and Accountability Act; or (3) upon the occurrence of certain specified family status change events as governed by Internal Revenue Code Section (IRC) 125 and authorized under the County's Section 125 qualified cafeteria benefits plan. Employees seeking to waive coverage shall show proof satisfactory to the plan that the employee has other group medical insurance coverage.

d. Taxes on Benefits: Employee contributions for health insurance shall be deducted from employee pay on a pre-tax basis unless otherwise prohibited by the Internal Revenue Code. The employee will be responsible for any tax consequences resulting from the inclusion of a registered domestic partner and the child of registered domestic partner under the health and welfare benefits offered pursuant to this Agreement.

10.2 MEDICAL INSURANCE AND HEALTH PLANS

The County shall pay a monthly contribution for any of the medical insurance or health plans made available to employees pursuant to this Agreement. The County contribution shall be applicable to the coverage level selected by the employee. If the cost of the coverage exceeds the maximum County contribution, the employee shall pay the additional cost.

- a. Tier A: Employees hired prior to January 1, 2007, will be placed in Tier A. Employees in Tier A shall remain in this tier unless they voluntarily elect to move to Tier B. Such election by an employee to move to Tier B shall be irrevocable once made. Tier A employees who are eligible to receive cash back will continue to be eligible with the exception that the benefit, when combined with any premium costs and FICA reductions, shall not exceed \$894.52 per month. The County will provide the following maximum contributions to Tier A employees:

- (1) Effective January 1, 2007, the County's maximum contribution shall be 100% of the Kaiser family premium for 2007.
 - (2) Effective January 1, 2008, the County's maximum contribution shall be 95% of the Kaiser family premium for 2008.
 - (3) Effective January 1, 2009, the County's maximum contribution shall be 90% of the Kaiser family premium for 2009.
 - (4) Effective January 1, 2010, the County's maximum contribution shall be 85% of the Kaiser family premium for 2010.
 - (5) Effective January 1, 2011, the County's maximum contribution shall be frozen at 80% of the Kaiser family premium for 2011.
- b. Tier B: The County shall provide an insurance contribution, henceforth known as Tier B, for employees starting employment with the County on or after January 1, 2007, and employees who were in Tier A and have voluntarily elected to participate in Tier B. The County contribution shall be reset annually on January 1 of each year. The County contribution amount shall be 80% of the premium amount for the health plan and level of coverage selected provided, however, that the maximum amount of the contribution shall be 80% of the premium amount for the least expensive, full coverage HMO health plan option offered by the County, for the level of coverage selected by the employee. The employee shall pay through payroll deduction any additional premium not paid by the County contribution that is required for the plan option and level of coverage selected by the employee, or the default coverage if the employee did not select another plan or waive coverage as specified under the provisions of this Agreement.
- c. Effective January 1, 2008, or later, as determined by the County, employees shall be provided with at least the following:
- (1) Medical Plan Options:
 - (a) A traditional Kaiser Foundation health maintenance organization plan
 - (b) A traditional non-Kaiser Foundation health maintenance organization plan
 - (c) Up to two (2) high-deductible health plan options, with a voluntary health savings account.

- (2) Elimination of the Catastrophic health plan.
- (3) Coverage Levels: Status quo shall continue for employees desiring coverage under the County medical insurance plans. Employees may elect coverage under one (1) of the following levels:
 - (a) Employee only
 - (b) Family

Premiums for insurance coverage shall be based on the level of coverage selected.

d. The default medical plan enrollment shall be the County's lowest premium high deductible health plan, employee only coverage. The employee shall be responsible for paying 20% of the premium for this coverage on a pre-tax, payroll deduction basis.

e. All co-payments will remain at their respective 2006 levels for the duration of the Agreement.

10.3 RETIREE HEALTH SAVINGS PLAN

Effective December 24, 2006, or as soon as administratively possible, the County shall establish a retiree health savings plan (RHSP) by contributing an amount of \$25.00 to the employee's RHSP each biweekly pay period.

10.4 DENTAL PLAN

Employees in the unit shall enroll in the County's dental insurance plan. The County shall pay 100% of the cost for dental coverage for employees and covered dependents. The default level of dental insurance coverage shall be employee only coverage.

10.5 LIFE INSURANCE

a. Basic Benefit: Effective January 1, 2008, the basic life insurance benefit will be increased from \$15,000 to \$18,000 for employees. This shall be the default level of life insurance coverage, which shall be provided at no cost to the employee.

b. Voluntary Options: The County shall provide additional options to permit employees to elect up to three (3) times their annual salary to a maximum of \$500,000 of provided and purchased life insurance. Premium rates for these supplemental options shall be determined by the County based on the quotation from the insurance carrier selected by the County to provide the life insurance.

c. Living Benefit: The life insurance benefit includes a “living benefit” option. To be eligible for this “living benefit,” the claimant must be under the age of seventy (70); be diagnosed terminally ill (with life expectancy of twelve [12] months or less); not have assigned his or her employee life benefits; and not have a court order in force which affects the payment of life insurance benefits. The life insurance benefit will pay a benefit of up to 50% of the combined basic and any supplemental life amounts. The maximum amount of the living benefit is \$250,000 and the minimum is \$7,500. Should the employee recover, the amount paid under this provision would be subtracted from the face amount of his/her full benefit at the time of death.

d. Dependent Benefit: A life insurance benefit of \$5,000 (\$0 from birth to fourteen [14] days of age; \$200 from age fourteen [14] days to six [6] months) is provided for each dependent in addition to the basic life benefit provided to employees. No enrollment of dependents is generally required. Domestic partners and/or their dependents must be enrolled in the program as the dependents of an employee in order to be eligible for the dependent benefit. The dependent benefit will be reduced from \$5,000 to \$2,000 effective January 1, 2008.

e. Conversion of Coverage: The life insurance may be converted from group coverage to private coverage upon termination of employment, or a dependent’s loss of eligibility for coverage under the plan. It is the sole responsibility of the employee to notify the County within thirty (30) days of a dependent’s loss of eligibility due to marriage or reaching the limiting age for coverage. Upon timely notification, a dependent losing coverage will be offered the opportunity to convert to an individual policy. Failure to notify the County within thirty (30) days of a dependent’s loss of eligibility shall result in loss of conversion privileges.

10.6 EMPLOYEE ASSISTANCE PROGRAM

a. The County will make an employee assistance program (EAP) available to each eligible employee. The EAP will provide personal counseling for employees and/or their dependents. The counseling is intended to assist employees and eligible dependents who are experiencing personal problems such as family/marital problems, personal/emotional problems, substance abuse problems, and work-related problems.

b. The County will pay the cost of short-term counseling, not to exceed six (6) sessions of approximately one (1) hour each per incident per calendar year for each employee and each covered dependent. Participation in the Employee Assistance Program shall be confidential unless written consent is given by the employee or family member.

c. Enrollment of dependents is generally automatic; no enrollment form shall be required. Domestic partners and/or their dependents must be enrolled as the dependents of an employee in order to be eligible for dependent benefits under this program.

d. It is understood that the County will provide EAP services through an independent contractor. The County may from time-to-time in its sole discretion change contractors for this service.

10.7 FLEXIBLE SPENDING ACCOUNTS

Employees in the unit shall have access to the County's flexible spending account program, which provides employees with the options of dependent care assistance benefits with a calendar year maximum of \$5,000, and medical expense reimbursement benefits with a calendar year maximum of \$2,400. The County shall maintain this plan in compliance with IRC §125. Employee premiums for flexible spending account benefits shall be deducted on a pre-tax basis from employee pay.

10.8 STATE DISABILITY INSURANCE

a. The County shall maintain State Disability Insurance (SDI), at the employee cost, for employees in classes covered by the Agreement. This section shall not be valid if the membership elects to withdraw from SDI during the term of this Agreement and the State has approved withdrawal from SDI.

b. Employees who are absent from duty because of illness or injury and have been authorized to use County-paid leave benefits, sick leave, vacation, compensating time off, holidays and holiday-in-lieu time, shall be eligible to integrate the payment of State Disability Insurance benefits with such County-paid leave benefits. No integration of County-paid leave benefits and State Disability Insurance shall occur unless the appointing authority has approved the use of the County-paid leave benefits by the employee requesting integration.

c. Integration of County-paid leave benefits with State Disability Insurance will require detailed procedures which the County shall, in its sole discretion, implement to ensure the equitable application of the program consistent with this Agreement provision. In accordance with current County policy, integration of County-paid leave balances and State Disability Insurance shall not be paid in a retroactive manner.

d. Integration of County-paid leave balances and State Disability Insurance shall take place subject to the following conditions:

- (1) The intent of this program and contract provision is to insure that those employees who participate in the program comply with all applicable laws, policies, and procedures established to provide integration of County-paid leave balances and State Disability Insurance so as to provide a combined biweekly adjusted net income equivalent to 100% of regular net income - gross income less required deductions, such as taxes, retirement, State Disability Insurance premiums, and other mandatory deductions - as long as such eligible disability qualifies and available leave balances are

authorized by the appointing authority. Other employee authorized deductions shall be deducted from the resultant net pay.

- (2) Upon approval of the use of County-paid leave benefits by the appointing authority and the employee's established eligibility for State Disability Insurance, the County shall make leave accrual payments to the employee in the usual manner except that the net pay, including State Disability Insurance benefits and net County pay, shall not exceed 100% of the regular net pay. If State Disability Insurance benefits equal or exceed 100% of the regular net pay, no County payment shall be made. County-paid leave benefits shall be used in the following order: sick leave, vacation, compensating time off, and holiday-in-lieu time.
- (3) Special pay allowances not of a permanent nature, such as overtime compensation, standby, night shift differential, call back or out-of-class pay, shall not be counted in determining the employee's gross or net pay.
- (4) Sick leave, vacation, and holiday-in-lieu shall not accrue during any pay period in which the employee receives County-paid leave benefits integrated with State Disability Insurance payments, except that the employee shall accrue sick leave, vacation, and holiday-in-lieu for any actual hours worked during a pay period in which integration occurs. Service credits toward seniority and step increase eligibility shall not be affected by any pay period during which an employee is on the integrated leave and State Disability Insurance program.
- (5) When an employee exhausts all available County-paid leave balances, the employee shall either return to work or request an unpaid leave of absence from his/her appointing authority. Regardless of whether the employee continues to receive State Disability Insurance payments, once all County-paid leave balances are exhausted, County compensation shall cease unless the employee returns to work.
- (6) The County shall continue its contributions towards the employee's health, dental, life and retirement contributions in accordance with established laws and practices during the pay periods which include County payment for integrated leave balances. The employee shall be responsible for payment of premiums required to maintain insurance coverage when County contributions cease.
- (7) Eligible part-time employees shall be included in this program on a prorated basis.

e. In the event the County determines that legislative or judicial determinations cause changes which in any way restrict, reduce or prohibit this program operation, it shall immediately and automatically terminate without any further action by either party to this Agreement.

10.9 JOINT LABOR-MANAGEMENT HEALTH AND WELFARE COMMITTEE

The parties agree to work cooperatively in an ongoing joint labor-management health and welfare committee forum to review and address health and welfare issues that are of vital interest to both parties. The parties acknowledge that the health insurance marketplace is constantly changing and it is imperative that they remain engaged in ongoing dialogue and discussions regarding benefits issues.

ARTICLE XI RETIREMENT PLAN

11.1 DEFERRED COMPENSATION - TEMPORARY EMPLOYEES

a. An employee covered by this Agreement who is not a member of, or currently earning benefits under, the Sacramento County Employees' Retirement System shall become a participant in the Deferred Compensation Plan set forth in County Code Sections 2.83.200 through 2.83.360.

b. The employee shall contribute 3.75% of his or her compensation for any period of service performed for the County while a participant in this plan. The County shall additionally credit an amount equal to 3.75% of the employee's compensation to the investment account maintained for each participant.

c. The Deferred Compensation Plan and participation by the County and specified employees described above is in lieu of each party paying FICA taxes as permitted by Internal Revenue Code Section 3121(b)(7)(f).

11.2 SAFETY RETIREMENT TIER 2

a. Effective the pay period beginning June 17, 2001, the County shall establish a new safety retirement tier. This new safety retirement tier, Tier 2, shall have a post-retirement cost-of-living adjustment factor pursuant to Government Code Section 31870 to a maximum annual 2% per year and a final compensation calculated on the basis of three years pursuant to Government Code Section 31462. In all other aspects, Tier 2 safety shall be identical to Tier 1 safety.

b. This new safety retirement Tier 2 shall not apply to employees hired prior to the effective date of this section as mentioned above in Section 11.2-a., with a SCERS entry date prior to the above-mentioned date.

c. All eligible employees hired on or after the effective date mentioned in 11.2-a. shall be placed into Safety Retirement Tier 2.

d. Employees in both Safety Retirement Tier 1 and Tier 2 shall have the benefits for non-service connected disability computed as prescribed by Section 31727.7 of the County Retirement Law of 1937.

11.3 RETIREMENT ENHANCEMENT

Effective June 29, 2003, the parties agree as follows:

- a. The County will implement the retirement enhancement plans of 3% at age 50 for safety members.
- b. Eligible employees will be permitted to purchase prior public service credits up to a maximum of four (4) years. The election to purchase shall be open ended with employee purchase of the employee's share, County's share, and accumulated interest.

ARTICLE XII ALLOWANCES AND REIMBURSEMENT

12.1 UNIFORM ALLOWANCE

a. Effective June 24, 2007, the reimbursement for uniform allowance (covering all clothing, boots and jackets) shall be discontinued and each eligible employee shall receive a uniform allowance payment of \$28.85 biweekly included in the regular paycheck subject to taxation.

b. If the County requires employees to provide additional items of uniform clothing, the initial cost shall be borne by the County. This provision shall not apply to revisions which employees are permitted to phase in as current uniforms wear out.

12.2 MILEAGE REIMBURSEMENT

The County shall reimburse employees who agree mutually with the County to provide their private cars for use on official business in lieu of using a County-owned car. The reimbursement shall be paid monthly on the filing of a claim therefore by the employee. The employee shall be reimbursed for any mileage traveled at a rate based upon the Internal Revenue Service business mileage deduction rate, for the first 600 miles. For over 600 miles, the reimbursement would be at the Internal Revenue Service Business mileage deduction rate less \$.15 mile.

12.3 TRANSIT PASS

Effective July 1, 2006, the transit subsidy shall be increased to \$65 per month.

ARTICLE XIII SAFETY AND HEALTH

13.1 OBJECTIVE

b. When such person is returned to County civil service, he or she shall have permanent status in a position comparable to that held at the time of retirement. The

returned person's seniority and benefits shall be based on service as of the time of retirement.

15.5 ABSENCE WITHOUT LEAVE AS AUTOMATIC RESIGNATION

a. If an employee is absent without leave for five (5) consecutive workdays, such employee shall be required to submit a written statement to his/her appointing authority stating that he/she desires to retain his/her employment. If the employee fails to submit such a written statement to the appointing authority within two (2) workdays after written notice of the written statement requirement has been served on the employee, such failure shall constitute an automatic resignation from County service. The foregoing does not preclude the appointing authority from taking disciplinary action.

b. The written notice to the employee may be personally served or it may be served by mail to the last known address of the employee and is complete on mailing. The last known address shall be deemed to be that address which is within the personnel file of the employee within the department to which he/she is assigned.

c. The written statement of the employee must be either personally handed to the appointing authority or delivered to the appointing authority by registered mail return receipt requested.

d. A permanent employee may, within fifteen (15) calendar days of the effective date of such separation, file a written request with the appointing authority for reinstatement. Reinstatement may be granted only if the employee makes a satisfactory explanation to the appointing authority as to the cause of his/her absence and his/her failure to obtain leave therefore, and the appointing authority determines that he/she is ready, able and willing to resume the discharge of the duties of his/her position or, if not, that his/her appointing authority consents to a leave of absence to commence upon reinstatement.

15.6 DISCUSSION OF ALTERNATIVES TO LAYOFF

a. If it becomes necessary for the County to have a reduction of force, the parties mutually agree to discuss alternatives to layoff. Such discussions may include reduced workweek, leaves of absence, voluntary layoffs, and/or other issues which may minimize mandatory layoffs.

b. The Union shall give notice of its intention to discuss alternatives to layoff immediately upon notification to the Union that layoffs are necessary. The parties, upon discussion, will make every effort to reach agreement within the fourteen-day notice of layoff period required in the layoff provisions of this Agreement. This provision shall not limit the County's right to layoff employees following the fourteen-day notice requirement of the layoff provisions of this Agreement.

15.7 PERSONNEL FILES

a. For the purposes of this section, personnel file shall mean the employee's departmental personnel files and in those divisions which keep separate division personnel files, such division personnel files.

b. The County shall provide employees and their designees with the right to inspect their personnel files at a reasonable time and upon reasonable notice.

c. When the County finds it necessary to issue an employee an incident report documenting an incident or accident, or to issue a letter of counseling or letter of warning or letter of reprimand to an employee, the County will follow the following procedure:

- (1) Afford the employee, if available, an opportunity to read and sign the report or letter before it is placed in his/her personnel file.
- (2) Allow the opportunity to respond in writing to the facts contained in said report or letter if said report or letter contains adverse comments regarding the employee. Such written response shall be made within five (5) working days of receipt of said report or letter.
- (3) Give the employee a copy of said report or letter if it contains adverse comments. If the County fails to provide the employee with a copy of said report, a copy will be provided upon discovery of such failure or upon request of the employee.

15.8 UNION WAIVER

The Union agrees, without further action by the County or the Union, to waive its right, if indeed there is such a right, to negotiate decisions, procedures, and rules of the Civil Service Commission and the Board of Retirement, so long as any action taken by such Board or Commission takes place after a public hearing, during which the Union may testify; and changes to the Employee Relations Ordinance which prohibit recognized employee organizations from representing both a supervisory and a non-supervisory unit, and/or restrict a law enforcement employee organization from representing non-law enforcement units.

15.9 JOINT LABOR-MANAGEMENT COMMITTEE

In order to encourage open communication, promote harmonious relations, and resolve matters of mutual concern, the parties agree to create a joint labor-management committee. The committee will be governed by the following:

- a. The committee will meet every other month or more often if mutually agreed to by the parties.

- b. The agenda for each meeting will be decided five (5) working days in advance of the meeting, unless otherwise mutually agreed to by the parties.
- c. The County will release a reasonable number of officially designated Union stewards for attendance as needed at the meetings. The number of stewards in attendance will be mutually agreed upon before each meeting.
- d. This section is not grievable within the meaning of the grievance procedure as defined in Article V of this Agreement.

ARTICLE XVI SENIORITY, LAYOFFS AND REEMPLOYMENT

DIVISION A APPLICATION-PURPOSES-RIGHTS

16.1 PURPOSE

This article establishes layoff procedures and reemployment rights. The decision to reduce the number of positions in a class in a department and the reasons for any such reduction shall be within the sole and exclusive discretion of the County. However, the order of layoff and the identity of those employees to be laid off shall be governed by the provisions of this article. This article also establishes reemployment rights and the order of reemployment of employees who are laid off and provides for the resolution of any dispute which might arise respecting the order of layoff or reemployment of those employees who are laid off.

16.2 DEFINITIONS AND INTERPRETATIONS

Words and terms used in this article shall have the same meaning as applies to their use in Chapter 2.78, Sacramento County Code, unless otherwise defined below:

- a. Former Class: A class in which an employee previously has held permanent status. An employee may have one (1) or more former classes. However, only those classes in which the employee has held permanent status during the current period of continuous service are eligible former classes in respect to a right to demote.
- b. Layoff: The involuntary termination from a class of a permanent or probationary employee without fault on the part of the employee, because of lack of work, lack of funds, or in the interest of economy.

- c. Limited-Term Employee: A person who accepts a limited-term appointment as defined in Section 7.7(f) of the Civil Service Commission rules. A limited-term employee is a temporary employee for purposes of this article. However, a permanent employee appointed to a limited-term position shall have return rights, within the same department, from the limited-term position to the permanent position.
- d. Separation: Release from employment of a temporary employee or the return of a regular employee from a temporary upgrade to the immediate former class in which the employee held permanent status. Separation does not constitute a layoff.
- e. Status: The employee's current appointment, such as permanent, temporary, provisional, or probationary. Temporary includes intermittent and limited term.
- f. Temporary Employee: A person who has been appointed from a list of eligibles, or provisionally in the absence of a list, to a position which is other than a permanent position.

16.3 LAYOFF

a. When it becomes necessary due to lack of work, lack of funds, or in the interest of economy, to reduce the number of employees in a department, the order in which employees will be laid off within each class which is affected by the layoff shall be based on seniority as provided in Section 16.5.

b. Temporary and provisional employees in the class involved in the layoff shall be separated prior to the layoff of any probationary or permanent employees.

c. Prior to the layoff of any probationary or permanent employee, any permanent employee who currently is serving in a temporary position in that class shall be separated and returned to the class in which the person holds permanent status in that department.

d. Probationary and permanent employees shall be laid off in the inverse order of their seniority.

16.4 RIGHT TO DEMOTE

a. Any employee who is scheduled for layoff shall have a right to demote within the department in which layoff will occur to a class in which the employee formerly held permanent status. If there is no authorized position in the department in the class to which the employee would otherwise have a right to demote, then this subsection shall not apply. The right to demote within the department to which the employee is assigned, shall be implemented as follows:

- (1) If there is only one (1) other lower salaried class within the department in which the employee formerly held permanent status, the employee shall be demoted to that class. If there is no vacancy in that class and the demoting employee has less seniority than all other employees within the department in that class, the demoting employee shall be laid off from that class and from employment.
- (2) If there are two (2) or more lower salaried classes within the department in which the employee formerly held permanent status, the employee shall be demoted to that class in which the employee formally held permanent status which has the highest salary. If there is no vacancy in that class, and the demoting employee has less seniority than all other employees within the department in that class, the above process shall continue until the demoting employee either reaches a class within the department in which the employee formerly held permanent status in which there is a vacancy or in which the employee is not the least senior employee within the department in that class, or the employee is laid off from employment.
- (3) An employee who is least senior in a class in which there is no vacancy and to which an employee demotes from a higher class within the department shall be laid off from that class, and shall have the same right to demote as does any other employee who is laid off.
- (4) An employee demoted under this procedure shall be deemed to have exercised the employee's right to demote and to have accepted each demotion, subject to the employee's right to resign from employment.
- (5) An employee who is demoted from a class in which the employee holds permanent status shall be deemed for all purposes to have been laid off from each class from which the employee subsequently demotes or is displaced, including classes which the employee passes through because of the absence of a vacancy and insufficient seniority to occupy a position.

b. An employee who is scheduled for layoff shall be entitled to request a demotion to another class in which the employee formerly held permanent status which is currently authorized in another department. Except as provided in (3) below, the right to request demotion to another department applies to any class in which the employee formerly held permanent status which has a lower salary than the class from which the employee was laid off, which is authorized in any department other than the department to which the employee was assigned prior to layoff.

- (1) The appointing authority of the department to which the employee requests transfer may, in the appointing authority's discretion, grant a request to demote if there is (a) a vacancy in the class within the department or (b) the requesting employee would not be the least senior employee in the new department within the class to which the request is made.
- (2) An employee whose request to demote to another department is granted, shall be deemed for all purposes to have been laid off from the class from which the employee demotes.
- (3) Such right to request demotion shall not apply to a class to which an employee is demoted within the same department. The purpose of the right to request a demotion to another department is to avoid layoff from employment.

16.5 SENIORITY

a. Seniority shall be determined by the date of original appointment to the class. For purposes of this article, the "date of original appointment to the class" is defined as the date the employee first was appointed to the class, on or after the most recent date of entry into County service, regardless of type of appointment, including, but not limited to, provisional, limited term, temporary and exempt.

b. A seniority list shall be prepared for each class for purposes of layoff and shall include all probationary and permanent employees in that class. Where seniority dates in the class are the same, ties shall be broken in the following sequence:

- (1) Employees with the earliest date of entry into continuous County service.
- (2) Employees with the highest standing on the eligible list from which the appointments to the applicable class were made.

c. The seniority date for employees who terminate and subsequently return to County service in accordance with the military leave provisions of Section 2.78.785 of the Sacramento County Code shall be the date of original appointment to the class, prior to the military separation.

d. If an employee's position is reallocated to a different class, and the former class is no longer authorized in the employee's department, the employee's date of appointment to the former class shall be the seniority date in the class to which the position was reallocated. In such cases the right to demote shall apply to the new class.

e. If an employee is in a class which is retitled, the seniority date in the retitled class shall be the date of appointment to the original class which has been retitled.

f. If an employee returns to a former class in which the employee previously held permanent status, the employee's seniority date in the former class shall be the date of original appointment to the former class.

16.6 JURISDICTION

a. If an employee in a class covered by this article is laid off from that class and demotes to a class which is not covered by this article, then this article no longer applies in respect to the determination of the employee's seniority within the class to which demotion occurs. In such cases, the determination of seniority within the class to which the employee is demoted shall be based on the agreement of the new representation unit or the Sacramento County Code, whichever applies.

b. Employees employed under the Comprehensive Employment and Training Act (CETA) shall be laid off or separated in compliance with, and their right to demote within the department and to request demotion to another department shall be subject to, all requirements by Congressional enactments, Federal Regulations and Orders, and grant terms and conditions as they exist and apply on the effective date of layoff.

DIVISION B LAYOFF

16.7 NOTICE OF LAYOFF

a. Each employee subject to layoff shall be given written notice of layoff. The notice shall prescribe the effective date of layoff. The written notice shall either be personally handed to the employee, delivered to his/her last known address, or mailed to the last known address if such address is a post office box number. The last known address shall be deemed to be that address which is within the personnel file of the employee within the department to which he/she is assigned. The notice shall be deemed served on the date it is personally handed to the employee, or on the date it is left at his/her last known address, or on the date it is mailed to his/her last known address, as the case may be.

b. The effective date of layoff shall be not earlier than the 14th calendar day following the date of service of the notice of layoff.

16.8 NOTICE TO UNION

Each time a layoff is ordered, the County shall mail to Union, not later than the date of service of the last notice of layoff, each seniority list by class and department in which an employee covered by this Agreement is to be laid off. Each such list shall identify the employees to be laid off and show the date of service of the notice of layoff to each employee who is to be laid off.

16.9 GRIEVANCE-ARBITRATION PROCEDURE

The Grievance-Arbitration procedure set forth in Sections 16.10 through 16.20 shall apply to grievances concerning the validity or timeliness of service of notice of layoff, the order of layoff, or the identification of who is laid off under the order of layoff.

16.10 GRIEVANCE

A grievance is a complaint by one (1) or a group of employees or the Union involving the interpretation, application or enforcement of the express terms of this article, and asserting that an employee or employees have been not served with notice of layoff, not timely served with notice of layoff, misplaced within the order of layoff, or incorrectly identified for layoff under the order of layoff, in violation of the terms of this article.

16.11 TIME, PLACE AND MANNER OF FILING

a. A grievance shall be filed on a form prescribed by the County. Each grievance shall state for each named employee the factual basis for the claim and the provision of the article allegedly violated. Any grievance on this subject which is not timely or does not meet the criteria established in this section shall be deemed invalid, null and void.

b. All grievances on this subject shall be filed with the County's Director of Labor Relations not later than seven (7) calendar days following the alleged violation. Any grievance which is not received by the Director of Labor Relations within seven (7) calendar days following the alleged violation shall be deemed invalid, null and void, and a waiver of the employee's assert of his rights.

16.12 DELIVERY TO UNION

The County shall deliver a copy of each grievance filed by an employee or group of employees to Union not later than eight (8) calendar days following the date of filing.

16.13 COMPLAINTS BY UNION

a. Not later than fifteen (15) calendar days following the date of delivery of copies of grievances by employees pursuant to Section 16.12 or twenty-two (22) calendar days after the filing of a grievance by Union, whichever is earlier, Union shall file a consolidated complaint with respect to all such grievances. The complaint shall name each employee previously named in a grievance, who Union asserts has been not validly served with notice of layoff, not served in a timely manner, misplaced within the order of layoff, or incorrectly identified for layoff under the order of layoff. Any employee named in a timely grievance filed by Union or a timely employee grievance, who is not so named in the complaint, shall be deemed to have been validly and correctly identified for layoff under the order of layoff.

b. By filing the complaint or by not filing a complaint, Union shall have authority to waive the claims of employees which it elects not to assert.

c. The complaint shall be filed with and received by the Director of Labor Relations within fifteen (15) calendar days following delivery to Union of the copies of employee grievances or twenty-two (22) calendar days following filing by Union of its grievance, whichever is earlier.

16.14. ARBITRATION - SCHEDULING

Timely complaints shall be submitted to and determined by an arbitrator. Each arbitration proceeding shall commence not earlier than ten (10) calendar days and not later than thirty (30) calendar days following the date of filing of the complaint.

16.15 CONSOLIDATION OF PROCEEDINGS

a. It is understood that the County is entering into this type of agreement with exclusive representatives of other representation units of County employees. The County Executive or his/her designee shall be authorized to order the consolidation for purposes of hearing and decision of a complaint by Union with one (1) or more complaints by exclusive representatives of other representation units, except as to unit representatives who file their complaints on dates which preclude the scheduling of the consolidated hearing.

b. Consolidation shall be effected by written notice by the County Executive to all unit representatives whose complaints are ordered consolidated. The written notice shall designate the arbitrator for the consolidated hearing from among those specified in Section 16.16-a., or in the event of their unavailability, the arbitrator selected pursuant to Section 16.16-b.

c. The Union shall be authorized to withdraw from the consolidated proceedings by serving written notice of withdrawal upon the County's Director of Labor Relations within five (5) calendar days after service of the notice of consolidation.

d. In the absence of agreement between the parties and the arbitrator, the arbitrator shall schedule the date, time, and place of the hearing.

e. If the Union withdraws from a consolidated proceeding, the County shall have a right to a reasonable continuance of any hearing of the Union's complaint if necessary in order to avoid the hearing of more than one (1) complaint of a unit representative on the same day.

f. If the Union withdraws from a consolidated hearing, and subsequently an arbitrator makes a back-pay award under the Union's complaint, there shall be subtracted from the amounts owing any and all back-pay attributable to the period, between the date

of an arbitrator's decision on the Union's complaint and the date of an arbitrator's decision on the complaint which is the first one decided among those ordered to be consolidated.

16.16 APPOINTMENT OF ARBITRATOR

a. An impartial arbitrator shall be selected jointly by the parties.

b. In the event the parties are unable to agree, the parties shall solicit from the State of California Mediation/Conciliation Service a list of seven (7) arbitrators. After receipt of the list, the parties shall alternately strike an arbitrator's name from the list until one (1) name remains. If the selected arbitrator is unable or unwilling to hear the grievance within the time prescribed by Section 16.14, the parties shall again repeat the process unless they can mutually agree upon an arbitrator.

16.17 HEARINGS

a. Except as otherwise mutually agreed or otherwise provided herein, the arbitration hearings shall be conducted in accordance with rules of the American Arbitration Association.

b. In the event complaints are consolidated for purposes of hearing and decision, all unit representatives shall present their complaints and evidence in support of their cases in chief before the County presents any rebuttal evidence and its case in chief as to any individual complaint or the complaints as a whole.

c. Whether or not the proceedings shall be consolidated, the parties to the proceedings shall be deemed to be the County and Union (and other unit representatives, if any), and no employee or groups of employees shall be deemed to be parties of the proceedings.

16.18 QUESTIONS

In any arbitration proceedings on this issue, the questions to be decided by the arbitrator shall be limited to the following:

- a. Whether or not the notice of layoff was served in a timely manner in compliance with the provisions of this article;
- b. Whether the order of layoff complied with the terms of this article;
- c. Whether the identification of particular employees for layoff violated the terms of this article;
- d. The remedy, in the event it is determined that layoff did not comply with the terms of this article; and,

- e. The employee or employees who should have been identified for layoff.

16.19 DECISION

The decision by the arbitrator shall comply with the following requirements:

- a. The decision shall be issued not later than ten (10) calendar days after the close of the hearing or hearings. The decision shall be in writing, shall specifically state the interpretation of this article rendered by the arbitrator, and the remedies, if any. The decision need not state the reasons, discussion or contain reasoning, so long as the interpretation by the arbitrator is specifically stated.
- b. The arbitrator shall not have jurisdiction or authority to order reinstatement, back pay or any other relief for any employee who is identified for layoff in violation of the terms of this article, unless the employee has been identified in both a timely grievance and a timely complaint.
- c. The arbitrator shall not have jurisdiction or authority to revise the order of layoff as to any employee except to the extent necessary to grant relief to an employee determined to have been assigned an improper order of layoff alleged in both a timely grievance and a timely complaint.
- d. The arbitrator shall have authority, in the event of a determination that an employee incorrectly identified for layoff in a timely grievance and a timely complaint, to order the reinstatement of such employee with back pay. For each employee so reinstated, the arbitrator shall determine and designate the employee currently working for the County who should have been identified instead, and shall order the layoff of each such employee. The order of layoff shall become effective fourteen (14) calendar days following service of the notice of layoff which results therefrom pursuant to Section 16.7.
- e. Under no circumstances shall an arbitrator have jurisdiction or authority to order any remedy which either directly or indirectly permits the layoff of fewer personnel than ordered by the County or which otherwise impairs the discretion of the County to determine the number of personnel within each department who will be employed.
- f. The arbitrator shall have no authority to add to, delete or alter any provision of this article, but shall limit his/her decision to the application and interpretation of its express provisions.
- g. The decision of any arbitrator shall be consistent with prior decisions of other arbitrators, and subsequent arbitrators shall be bound by those interpretations.

- h. The decision of the arbitrator shall be final and binding as to all matters within his jurisdiction.

16.20 COSTS

The fees and expenses of the arbitrator and court reporter shall be shared equally by the parties. In the event of consolidated proceedings, the arbitrator shall prorate the costs to individual representation units, and the County and unit representatives shall share such costs equally.

DIVISION C REEMPLOYMENT

16.21 ENTITLEMENT

With respect to classes covered by this article, reemployment entitlements shall be as follows:

- a. A person who held permanent status in the class from which the person was laid off shall, during the two-year period following the effective date of layoff, be entitled to be appointed from a departmental reemployment list to a vacancy authorized to be filled in that class within the department from which the person was laid off pursuant and subject to the provision set forth in this division.
- b. A person who held permanent status in the class from which he/she was laid off, shall also, during the two-year period following the effective date of layoff, be entitled to certification from a County-wide reemployment list for a vacancy in the class from which the person was laid off, which is authorized to be filled, pursuant and subject to the provisions set forth in this division.

16.22 TYPE OF POSITION

The entitlement to appointment or certification applies whether the position in which the vacancy occurs is regular, temporary, or limited term.

16.23 LIMITED-TERM

Personnel serving under limited-term appointments shall not be entitled to reemployment rights or to placement on either a departmental or County-wide reemployment list, whether or not they held permanent status as limited-term appointees in the class from which they were separated.

16.24 DEPARTMENTAL REEMPLOYMENT LISTS

a. The County shall prepare a departmental reemployment list for each class in each department in which an employee with permanent status in that class is laid off. As personnel are separated from a class in which they hold permanent status, their names shall be added to the list for the class and department in which the layoff occurs in the inverse order in which they are separated from service in that class.

b. Notwithstanding any provision of this article to the contrary, the order of names on departmental reemployment lists shall be derived from (by inverting) the order of layoff prescribed by layoff lists, as the order of layoff may be modified by agreement between the parties or award under grievance-arbitration proceedings commenced pursuant to layoff under Division B, above. The purpose of this provision is to insure that disputes concerning the order of layoff and of departmental reemployment lists are raised and settled at or near the time of layoff, and not at the time reemployment is sought.

16.25 COUNTY-WIDE REEMPLOYMENT LISTS

The County shall prepare County-wide reemployment lists for each class from which personnel with permanent status in the class were laid off. Each list shall constitute a merger of persons who were laid off from the class and who held permanent status therein. The order of personnel on each County-wide reemployment list shall be based upon seniority according to the date of original appointment to the class to which the list refers, as determined under Division A.

16.26 APPOINTMENT AND CERTIFICATION PRIORITIES

The following priorities shall apply in relation to vacancies in classes to which the entitlement to appointment or certification is applicable:

- a. A vacancy in a class shall be filled first from the Medical Center transfer eligible lists prescribed in Section 7.7(d) of the Civil Service Rules, as that section existed prior to August 15, 1974. If the vacancy is not filled by appointment from the Medical Center transfer eligible list, then;

- b. The vacancy shall be filled from that departmental reemployment list for the class in which the vacancy exists and for the department in which the vacancy exists. Persons shall be appointed to vacancies in the order of the list.

e. If the employee who is subject to disciplinary action or his/her representative fails to file a notice of appeal within the time specified in Subsection a. of this section, the disciplinary action shall become final without further action.

18.9 MEDIATION OF A DISCIPLINARY ACTION

a. Prior to the arbitration hearing, the Association may request mediation. Mediation shall take place on the first and third Tuesday of each calendar month. Subsequent days for mediation will be scheduled, if necessary. The parties agree to mutually select a panel of mediators. If the parties are unable to select a panel of mediators, they shall utilize the State Mediation and Conciliation Service.

b. Under no case shall the adjustment of resolution of the discipline at this level exceed thirty (30) calendar days from the date of their appeal, unless extended by mutual agreement of the parties.

c. Mediators who have been selected by the parties to mediate disputes will be scheduled on a rotating and available basis.

d. The parties agree to meet annually in May to review the mediators listed above. The list of mediators for the subsequent year shall be mutually agreed upon, but should the parties be unable to agree on a new list, the previous list will continue until

such time as a new list is agreed to, or the State Mediation and Conciliation Services are utilized.

e. All costs of the mediator, if any shall be borne equally by the parties. No party shall purposely withhold information at this level but shall disclose all information relevant to the appeal for consideration by the other party.

f. The mediation procedure shall be entirely informal in nature. However, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. All persons involved in the events giving rise to the appeal should be encouraged to participate fully in the proceedings, both by stating their views and by asking questions of the other participants at the mediation hearing.

g. The primary effort of the mediator shall be to assist the parties in settling the stated appeal in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one party. If settlement is not possible, the mediator shall provide the parties with an immediate bench opinion, as to how the appeal would be decided if it went to arbitration. That opinion would not be final or binding, but would be advisory. It would be delivered orally and would be accompanied by a statement of the reasons for the mediator's opinion. The advisory opinion may be used as the basis for further settlement discussions or for withdrawal or granting of the appeal. If the appeal is not settled, granted or withdrawn, the parties are free to arbitrate. If they do, the mediator shall not serve as arbitrator, and no offers or concessions made by the parties or the mediator during mediation can be used against a party during arbitration.

h. Neither attorneys nor court reporters or any other type of note-taker shall be allowed to be present at the proceedings.

i. If the parties agree to be bound by a mediator's recommendation, the subsequent agreement shall be reduced to writing and signed by the parties.

j. If the issue is not resolved during mediation, and in accordance with established timeliness the appeal shall move to arbitration.

18.10 ASSIGNMENT OF AN ARBITRATOR

a. The parties to the hearing and to the selection of the arbitrator shall be the employee who is subject to the disciplinary action or his/her representative and the County.

b. If the parties are unable to mutually agree upon an arbitrator, a list of five (5) arbitrators shall be requested from the State Mediation and Conciliation Service. The

parties shall alternately strike one (1) name from this list and the remaining name shall be the selected arbitrator.

18.11 AMENDED OR SUPPLEMENTAL ORDER

At any time after a hearing has commenced on a disciplinary action and prior to the time the appeal is submitted for decision, the appointing authority may, with the consent of the arbitrator, serve on the employee and file with the Director of Labor Relations an amended or supplemental order of disciplinary action. Consent is not required for an amended or supplemental order filed prior to commencement of the hearing. If the amended or supplemental order presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense thereto. Any new causes or allegations shall be deemed denied and any objections to the amended or supplemental causes or allegations may be made orally at the hearing.

18.12 DISCOVERY

a. Permissible Discovery: Pursuant to the procedure set forth in Subsection c. below, any party to the arbitration hearing may obtain the following information in the hands of or which may reasonably be obtained by the responding party or the responding party's representative (As used herein, "responding party" shall mean the person of whom the information is requested.):

- (1) Those allegations in the order of disciplinary action which are admitted by the employee and those allegations in the order of disciplinary action which are denied by the employee;
- (2) The name, address and telephone number of each witness whom the responding party intends to call to testify at the hearing.
- (3) Copies of statements by any person whom the responding party intends to call as a witness.
- (4) All writing relevant to the issues involved in the appeal including but not limited to reports of mental, physical and blood examinations which the responding party intends to introduce into evidence. "Writing" as used herein shall have the meaning defined in Evidence Code Section 250 which states: "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds or symbols, or combinations thereof.
- (5) A statement specifically defining the issues in dispute.

- (6) The foregoing does not apply to witnesses or exhibits used for impeachment or rebuttal.

b. Confidential or Privileged Matter: If the responding party determines that the writing or other material requested is confidential or privileged, the response to the discovery request shall specifically so state, and shall set forth in detail the grounds upon which confidentiality or privilege is claimed. If the requesting party disputes the claim of privilege or confidentiality, the arbitrator shall resolve the claim. In resolving the claim, the arbitrator may order that the writing or other material be deposited with the arbitrator in a sealed container. In ruling on such claims, the arbitrator may grant or deny the claim of confidentiality or privilege in whole or in part. The arbitrator shall have no authority to resolve any claim concerning material which by statute may only be released by court order. If the arbitrator determines that the material is confidential, but limited disclosure is necessary, the arbitrator may impose conditions upon the use or disclosure of the item by the requesting party. If the arbitrator determines that the material requested is subject to an evidentiary privilege, the decision regarding disclosure of the matter shall be strictly governed by the provisions of the Evidence Code.

c. Procedure for Discovery:

- (1) Personal Service: At any time after the hearing date has been set for an appeal, but in no event later than thirty (30) calendar days before the date set for such hearing, any party may personally serve a written request upon the responding party, or representative of record, for any or all of the information set forth in Subsection a. above.
- (2) Service by Mail: At any time after the hearing date has been set for an appeal, but in no event later than thirty-five (35) calendar days before the date set for such hearing, any party may serve, by first-class mail, a written request upon the responding party, or representative of record, for any or all of the information set forth in Subsection a. above. The effective date of service shall be the date of the postmark.
- (3) Response: Within twenty (20) calendar days of receiving the request mentioned in (1) and (2) above, the responding party shall prepare and serve a response to the request. Such response shall be served upon the requesting party, or representative of record, by the same means as service of the request was made.
- (4) Request to be Deemed Continuing Request: The discovery request is a continuing request, which requires a continuous response. Where new or additional information becomes available to the responding party, such information shall forthwith be furnished to the requesting party, or representative of record.

- (5) Negative Response: In the event the responding party does not have an item of the information requested, the responding party shall give a written negative response as to that particular item within the time specified for response, but shall respond fully as to the information which the responding party does possess. The responding party shall comply with (4) above after such negative response.
- (6) Disputes: Any dispute between parties regarding discovery shall be resolved by the arbitrator.
- (7) Penalties for Failure to Comply: The arbitrator shall impose penalties for failure to comply with this subsection. These penalties shall be based upon the seriousness of the failure to comply, the good or bad faith of the non-complying party, and the extent to which the non-compliance results in surprise to the requesting party and handicaps the requesting party in preparing the case. The following penalties may be imposed:
 - (a) Exclusion of evidence;
 - (b) Continuing the hearing at any stage; or
 - (c) Upon proof of a willful or repeated violation, the arbitrator shall determine the issue against the noncomplying party.

18.13 TIMING AND CONDUCT OF HEARING

- a. The arbitration hearing shall be held at the earliest administratively convenient date, taking into consideration the availability of the arbitrator and the availability of counsel and witnesses. The arbitration hearing shall be a private hearing.
- b. The employee who is subject to disciplinary action may be represented by the representative of his/her choice.
- c. The employee shall be entitled to appear personally at the hearing and produce evidence.
- d. The appointing authority may also be represented by counsel.
- e. At the hearing, the appointing authority shall have the burden of going forward first with evidence in support of the allegations contained in the order of disciplinary action and shall have the burden of establishing the facts by a preponderance of the evidence. The arbitrator may administer oaths and take official notice of facts as authorized by law.

- f. Oral evidence shall be taken only on oath or affirmation.
- g. A court reporter shall take a transcript of the hearing.
- h. The arbitrator may consider the records or any relevant prior disciplinary actions against the employee which are final, and any records contained in the employee's personnel files if such records were introduced at the arbitration hearing.
- i. Each Party Shall Have These Rights: To call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness; and to rebut evidence. The appellant may be called and examined as if under cross-examination.
- j. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

18.14 SUBPOENAS

Before the hearing has commenced, or during the hearing, the arbitrator shall have the power to issue subpoenas in accordance with Section 1282.6 of the Code of Civil Procedure.

18.15 DECISION

- a. Following the hearing, the arbitrator shall promptly prepare and submit to the parties to the hearing a decision in the case within thirty (30) calendar days. The decision shall contain and be limited to specific factual findings relating to the facts alleged in the disciplinary order and any facts asserted by the appellant for purposes of defense or mitigation; a determination of legal issues, if any; a determination of whether the facts found constitute good cause for discipline; and an order that affirms, modifies or sets aside the order of disciplinary action imposed by the appointing authority.
- b. In determining whether there is cause for discipline, the arbitrator shall independently review the sufficiency of the evidence supporting the charges. If good cause for the disciplinary action is found under this independent review standard, the arbitrator shall not modify or reduce the penalty imposed by the appointing authority

unless the arbitrator issues written findings demonstrating that there is clear and convincing evidence that the level of such discipline is improper.

18.16 FINALITY OF DECISION

The decision of the arbitrator shall be final and binding.

18.17 COSTS

The fees and expenses of the arbitrator, the court reporter, and the transcript, if any, shall be shared equally by Sacramento County Aircraft Rescue Firefighters Association and the County, in the event the employee subject to the disciplinary action is represented by SCARFA. In the event the employee subject to the disciplinary action is not represented by SCARFA, the County shall pay the fees and expenses of the arbitrator, the court reporter, and transcript, if any. The parties shall bear their own witness fees; however, SCARFA shall not be charged any witness fees for County employees.

18.18 WITNESSES

The County agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant to this article. The employee and Sacramento County Aircraft Rescue Firefighters Association agree that the number of witnesses requested to attend and their scheduling shall be reasonable.
